Moderate rates of Premiums and liberal conditions as to residence.

Premiums received in any part of the world where Agencies have been established.

Clinics settled at Home or Abroad.

The Directors of the COLONIAL LIFE ASSURANCE COMPANY being satisfied that it is unnecessary, in this case of Policies opened in British North America, to place a restriction on the residence of persons assured who are settled in life, and have no intention of proceeding to an unhealthy climate, are prepared to issue Policies without the usual Conditions as to residence in such cases.

The Form of the Policy of the Company has also been altered in other important respects, so as to make the Contract of Assurance a perfect security.

Profits divided every five years. Divisions took place in 1851 and 1854, when large additions were made to Policies. Next division in 1859.

Further information will be supplied at the Company's Office and Agencies.

By order of the Directors,

MATTHEW H. RICHEY,
