

BIBLIOGRAPHICAL NOTE

PIRATED EDITIONS

Owing to the number of unauthorised editions of "THE PICTURE OF DORIAN GRAY" issued at various times both in America and on the Continent of Europe, it has become necessary to indicate which are the only authorised editions of Oscar Wilde's masterpiece.

Many of the pirated editions are incomplete in that they omit the Preface and seven additional chapters which were first published in the London edition of 1891. In other cases certain passages have been mutilated, and faulty spellings and misprints are numerous.

AUTHORISED EDITIONS

(I) First published in *Lippincott's Monthly Magazine*, July, 1890. London: Ward, Lock & Co. *Copyrighted in London.*

Published *simultaneously* in America. Philadelphia: J.-B. Lippincott Co. *Copyrighted in the United States of America.*
