**Dr. LeBaron and His Daughters.**

Three historical novels of the old Plymouth Colony. Each, \$1.25.

Speaking of "*Standish of Standish*," *The Nation* said: "The beautiful directness and purity of its style, the splendid picture-events in which great men form part and are not made small, the pathos with which that old colony life is invested, all unite to demand from the judging class of readers such praise as few novels of the year deserve."
