Smith), 389; Harbord-street Collegiate (in charge of Inspector Chapman and Principal Spotton), 488; Jamieson-avenue Collegiate (in charge of G. A. Smith), 255; Technical High School (in charge of Dr. Pakenham), 53; De la Salle Institute (in charge of Inspector Prendergast), 111. Those coming from outside the city are: Hillcrest 13, Mimico 15, New Toronto 4.

NEW MINISTER NOT FAVORED

Islington Methodists Have Protested to Conference President Over Appointment.

Islington, June 27.—Dissension, the outcome of which has been a pointed resolution sent to the president of the Methodist conference, has lately arisen in the Islington branch of the Methodist communion. That branch, exercising their right of selection, extended an invitation to Mr. Lee to occupy the ministerial vacancy. When the nominating committee met it was understood that the selection made by the Islington Methodists would be confirmed; instead of which, and at the eleventh hour, Mr. Lee's name was struck out and that of an old gentleman substituted. That so automatic a ruling in direct opposition to the wishes of the Islington church, should arouse indignation and protest, is not, therefore, surprising; and a resolution has been forwarded to the president, informing him that in view of the stand taken by the stationing committee, the members of the church decline to be held responsible for the salary of the gentleman they had chosen; and adds, that if the appointment is ratified, conference will have to pay the salary in connection therewith.

Here, then, the matter stands at present, and it is the feeling of those interested that if the spiritual work of the church's minister is to be successful, the present unpopular appointment will have to be canceled.

Toronto Junction.

Toronto Junction, June 27.—The business men played a game of lacrosse at the Annette-street grounds this afternoon, which was won by the south side team by 11 to 7. W. Hall and T. J. Sheppard led the scoring for the south side, while on the north scorers were E. B. Wright 4, N. Winters 2, and W. Sampson 1. Joseph McGraw of the north was the star player.

The executive committee met to-night. Joseph Barret offered to install a plant to supply water to the town, which he is granted a 25 years lease. It was recommended that the tender of Fred Savage be accepted at \$12.20 for the year. Council will inquire of the solicitor to prepare a by-law re smoke on Pacific. A motion was lost to allow the Grant Manufacturing Co. to build an ironclad structure on the Weston-road, and that tenders be called for to pave Keele-street on the west side.

At the residence of J. F. Kendall, superintendent of the Wilkinson Plow Works, 90 Cooper-avenue, a nuptial was solemnized between his daughter Mary and Chris. Woodburn, by Rev. G. W. Dewey, pastor of Davenport Methodist Church. The parlor was decorated with palms and roses. The bride was given away by her father, Miss Mattie Kendall, sister of the bride, was bridesmaid, and Miss Irene Kendall was flower girl. The groom was assisted by Charles Rountree. The bride was dressed in cream silk undine, embroidered chiffon and carried a bouquet of pink roses and lilies of the valley. The bridesmaid wore white silk null trimmed with Valenciennes, and carried pink roses. The groom's present to the bride was a pearl necklace; to the bridesmaid a ruby and pearl ring; to the groomsmen a pearl fleur de his pin. Mr. and Mrs. Woodburn left for Buffalo, and on their return intend to take up their residence in town.

At the residence of Mrs. E. Kelcher, 12 Pacific-avenue, this afternoon, her youngest daughter, Lena Myrtle, was united in marriage to Wilbur H. Horner, choir master of Annette-street Methodist Church. The ceremony was performed by Rev. Dr. Haselwood, pastor of the church. The bride wore a dress of cream crepe de Paris over tulle, silk trimmed, with baby lace and carried a shower bouquet of crystal roses. The bridesmaid, Miss Helen Fern McKay, wore a dress of emerald crepe de chine over silk and carried pink roses. The groom was assisted by his brother, Leslie T. Horner. The parlor was decorated with ferns and daisies. The groom's present to the bride was a pearl sunburst; to the bridesmaid a pearl ring; to the groomsmen a monogram ring, and to the pianist, Miss Ida Bagehaw, a pearl fleur de his pin. The young couple left for the 800, and on their return will reside in town.

T. Hopkins, altho blind, is assisting in putting a new roof on his residence. Yesterday afternoon, while on the scaffold, he missed his step and fell on the scaffold on to the roof of the verandah, and then down to the ground, a distance of about 20 feet. With the exception of a few bruises and a shaking up, Mr. Hopkins was not hurt, and went up the ladder again to work.

There is a decided dissatisfaction in town in regard to the change of time of the mail. It is talked about that a petition is to be circulated and presented to the postmaster-general, to have the old time reinstated, or even made earlier in the morning. As the mail opens now at about 8:40 a.m., this time is decidedly too late for business men to wait.

Wychwood.

The members of the Church of Christ held an excursion to Hamilton yesterday.

Capitalists around here are investing their spare cash in the scheme of the "Imperial Motor Coach," and the hope is entertained that citizens of this district will receive a regular service of the "coach line," which would be as beneficial as a street car service.

On Tuesday evening at St. Cyprian's Church, Annie, eldest daughter of Mr. and Mrs. Lindsay of Wychwood, was married to Llewellyn Prince of Toronto. Rev. C. A. Sessar officiated. The bridesmaids were Miss Eva Lindsay, sister of the bride, and Miss Gertrude Doones. Mr. Sam I. Prince was best man. The bride was dressed in white silk trimmed with valentia lace, ornamented with orange blossoms, and carrying a bouquet of white roses. After the ceremony a wedding dinner was served at the residence of the bride's parents, at which there were some 75 invited guests.

Four trumpeters will lead the hounds and the huntmen, and the largest horse parade ever held on the continent in Toronto next Monday. The committee of the Open Air Horse Parade Association met last night at the King Edward, and completed arrangements. There are 550 entries, which means over 700 horses to make a procession of an estimated length of four miles, some of the horses three abreast. J. J. Dixon presided over the meeting, Marmaduke Rawlinson was appointed chief marshal, and all the other marshals and judges were finally decided upon as given below. T. J. Macabe was made corresponding secretary. Mr. Beardmore, M.F.H., offered a prize for a class for farmers' sons, but the committee was entirely in sympathy it was too late to make any addition this year. No temporary advertisements of any kind, either on the horse or vehicle, will be permitted, and no freight of any kind is to be carried on any vehicle.

The judging will commence sharp at 9:30 o'clock, and at the conclusion of the judging the parade will take place along the following route: College-street and Carlton-street to Sherbourne, down Sherbourne to King-street, on King-street to Simcoe, up Simcoe to Queen, along Queen to Spadina to College, thence to the park, and once around the park after which the medals and prizes and money will be distributed in front of the reviewing stand.
