

London Sun Again Affirms That Botha Has Ignored Kruger and Made Terms With Lord Kitchener Looking to a Cessation of Hostilities-Aid for Boer Women.

London, June 21 .- The Sun this afternoon , Mr. Brodrick, informed a questioner in igain prints the sensational announcement the House of Commons to-day that out of which it made June 18, that Gen. Botha, 63,000 persons in the concentration campa the Boer commander, after the receipt of of South Africa. 34,000 were children.

FOR WOMEN AND CHILDREN.

New York, June 21 .- An appeal has been fssued for money to buy supplies for the of surrender has already occurred. The secretary of Mr. Joseph Chamber-lain, the Colonial Secretary, declares that the rumors of the surrender of Gen. Botha are unfounded. **63,000 IN THE CAMPS.** London, June 21.—The War Secretary, in May. women and children of the Transvaal who

Claude said it was just a year ago that the firs shot was fired. He does not blame the missionaries as being the cause of the prising in China, as has sometimes been done, but said it was due to a number of causes. The first was a severe drought, which rained the crops and had reduced the people to a state of want. Then the Kiao Chou affair, and perhaps Russian ag gression, altho he was careful in speaking of that. How Missionaries Were Implicated. The reason that the missionaries have no right to react the speaks highly of the Chinese soldier, if the speaks highly of the Chinese soldier in China arcse to lead them, with their 350,000,000 population the says, if the right man arcse to lead them, with their 350,000,000 population the speaks highly of the Chinese soldier in China arcse to lead them, with their 350,000,000 population is peaking to the treaty rights, no one except missionaries careful as between its and good soldiers when and the first to suffer. The Boxers, har is colden to a being good enough for a soldier is a the top, and the trades a function, while in China anyone is regarded as being good enough for a soldier. Since the dotter is a the top, and the trades a for the bottom, while in China anyone is regarded as being good enough for a soldier. Since the dotter is channe to be added with their and the trades a function of the crops. Since the during the size, which last.
