DAN PATCH'S MARVELOUS MILE.

Paced to Wagon at Lexington in 1 min. 59½ Sec.

Lexington, Oct. 16.—Dan Patch (1.59) broke the world's pacing record to wagon in an exhibition mile here to-day, and came within a half-second of equaling his own sulky record. The previous pacing record was 2.01½, made by Little Boy on the Memphis track. Dan Patch clipped two full seconds off this record, and went the mile in 1.59½. Patch was accompanied in his round of the track by two runners, driven by Hudson and Maguire. His time by quarters was .30¼, .59½, 1.29, 1.59½. His third quarter was made in 29¼ seconds. The track was fast and the weather conditions were perfect. Four thousand persons saw the record broken, and cheered Driver McHenry lustily as he went under the wire. The meeting came to a close to-day. The Kentucky Stake of $2000 for 3-year-old trotters was won by Sadie Mac in two straight heats. The second heat was made in 2.11½, and equalled the fastest record of the year for the 3-year-old trotters, which was held by Sadie Mac herself. The Blue Grass Stake of $2000 for 2.19 trotters was won in straight heats by Jay McGregor, the favorite. Summary:

The Blue Grass, 2.19 trot—Jay McGregor 1, Kinney Lou 2, Lady Patchie 3. Judge Greene and Cole Direct also started. Best time 2.09¼.

Kentucky, 3-year-olds, trotting—Sadie Mac 1, Katherine A. 2, Lizzie A. 3. Wilna M. distanced. Best time 2.11½.

Third race, 2.09 class, trotting—McKinley 1, Mazetto 2, Belle Kuser 3. Maxine Wentworth, Dillon Boy and Palm Leaf also started. Best time 2.07¾.

2.16 class, pacing—Red Bird 1, Mary Gordon 2, Dutch Mowery 3. Beaver, Money Musk, Alley H. and Effie Afton also started. Best time 2.09¾.

Dan Patch to beat world's pacing record of 2.01½ to wagon—Time 1.59½.

Championship Disputed.

A correspondent writes: The Royal Oaks, champions of the "Western Junior League," having foreseen how the game between the Alerts and Nonpareils would come out, did not think it worth while to contradict the Nonpareils' statement that they were champions of the "Western League." The game between the Oaks and the Nonpareils about three weeks ago ended in the Oaks defeating the latter by 7 to 2, which made the Oaks champions of the Western Junior League, won for them the medals presented by Mr. Brown and gave them three games to the good. The Oaks play the Alerts on Saturday for supremacy of the city.

Amateur Baseball.

The Crescent baseball team has up to the present made futile efforts to get on games for the championship of the city. They are still ready to meet any of the champion teams, and are waiting to hear from the winners of the inter-league series that is now being played.

As the Canada Foundry Company baseball team feel despondent about the drubbing the Massey-Harris Company gave them last Saturday, they have challenged the Hayforkers for a return match next Saturday, and the so-called Hayforkers having accepted, the game will be played on Stanley Park. Of course, the C. F. Company's team will be padded, but they can rest assured that the M.-H. Company will be prepared for anything in that line that they can produce.

Walked to Hamilton.

The Central Y.M.C.A. Harriers, represented by Williams, McDonald and Goedike, held a pedestrian tour on Thanksgiving Day, walking from Toronto City Hall to Hamilton Y.M.C.A., by way of Lakeshore-road, thru Oakville and Bronte, round Burlington Beach-road to Hamilton, covering a distance of 47 miles in the actual time of 11 hours and 5 minutes, breaking all previous records.

Croquet.

The final for the singles was played off Thursday afternoon last on the grounds of R. R. Baldwin, the president of the club, No. 36 Lowther-avenue, when C. W. Thompson won from Dr. Bryce in two straight games.

Two branches of the Toronto Croquet Club, viz., the Lowther-avenue Club and the St. Patrick's-street Club, held a match on the grounds of the president on the same afternoon, which was won by the St. Patrick-street Club by 6 points. Messrs. Baldwin and Mackenzie of the Lowther-avenue Club winning from Messrs. Thompson and Carey, jr., by 15 points, and Messrs. Ever and Carey, sr., of the St. Patrick-street Club winning from Messrs. Gale and F. J. Dunbar by 21 points.

A scratch match was played between Dr. Bryce and Mr. J. W. Gale against Messrs. Bonnell and F. J. Dunbar, the latter winning by 7 points.

8 BOUTS ON FRIDAY NIGHT INTERESTING SEMI-FINALS

Finals Will Be Boxed To-Night—How the Contests Were Won and Lost.

Eight clean, clever bouts comprised the program for the second night of the fall amateur championship boxing tournament, and the admirers of the hit-and-get-away game had a gala time of it. Every bout went the limit of three rounds, and there was not a one-sided contest in the lot. Several of the battles were hotly fought, but the referee's decision in every instance was received with cheers. An excellent crowd was on hand. The club's new regulation, calling for silence during the bouts, was put into effect, and the result was extremely pleasing, not only to the officials and the authorities, but to the spectators. The Hern-Raeme bout was stopped for 57 seconds in the second round because of the noise; but this was the only interruption. This rule will be strictly enforced to-night.

—Summary.—

—Feather, 112 Pounds.—

C. Christie (Strathconas) beat F. Oswald (Strathconas); decision; three rounds.

—Extra, 118 Pounds.—

W. Sinclair (Strathconas) beat Bert Gale (Riversides); decision; three rounds.

C. Christie (Strathconas) beat F. Oswald (Strathconas); decision; three rounds.

—Special, 125 Pounds.—

T. Daly (Britannias) beat F. Lyons (Uno A.C.); decision; three rounds.

J. Edmunds (Uno A.C.) beat R. Thompson (Twilight A.C.); decision; three rounds.

—Welterweight, 145 Pounds.—

William Walsh (Strathconas) beat T. Ryan (St. Clements A.C.); decision; three rounds.

F. Hern (Brantford) beat William Raeme (Dons); decision; three rounds.

F. Hern (Brantford) beat H. Songster (Merchants); decision; three rounds.

To-night the finals in all the classes will be contested, and the semi-final in the 125-lb. class, making nine bouts in all.

It should be mentioned that Hugh Kennedy, the New Zealander, who boxes under the Good Luck A.C. colors, was only too willing to box as scheduled, but the committee decided to ask him to withdraw and leave Messrs. Bird and Gibson for the final. He will be presented with a gold medal, and will win a second one also if he defeats Mr. St. Mars to-night in the middleweight final.

C. Christie of the Strathconas punished his club mate, F. Oswald, considerably in the opening bout of the evening, winning an easy decision. He had height and reach on Oswald, who is in the class below him, and will box to-night in the final. Oswald was willing, however, and forced Christie to extend himself to the limit. Christie did the leading all thru, and had a big margin of points. For the first two rounds Oswald was mostly on the defensive, but he let out some in the final round. He landed several good punches, but was too tired to follow up. Christie tired, too, but he finished much stronger than Oswald, who was all in when the gong sounded.

The Strathconas returned their second winner in W. Sinclair, who clearly outpointed Bert Gale of the Riversides in every round of their bout. It was a clean contest of skill, in which both lads displayed much coolness and ability. They both fought quietly, and their temperatures were barely above normal at the conclusion. Sinclair used a straight-armed punch and was nearly always inside of Gale's swings. He jabbed nicely, and had a splendid defence. Gale was aggressive till the finish, tho, and Sinclair had to keep moving all the time.

Victory No. 3 was credited to the Strathconas in the third set-to, in which William Walsh met Percy Ryan of St. Clements. Ryan was the harder puncher, but Walsh had the longer reach. A straight left jab did good service for Walsh. It connected early and often with Ryan's countenance, and with a right cross won the battle for him. The decision was close, tho. Ryan was on the aggressive all thru. Walsh held him off with the left, and Ryan was unable to resort to his favorite style of infighting.

Frank Hern of Brantford, who is showing marked improvement in style in each succeeding appearance in the ring, registered an easy victory over William Raeme of the Dons. Hern fought cleverly, using a straight left with telling effect. Raeme abandoned his usual rushing, belting style and tried to be clever. He was muscle-bound, however, and his blows were always late. Hern got inside his leads easily and jabbed him severely. A right cross that was very opportune also tended to Raeme's undoing. Raeme took his medicine gamely, however, and was right there at the finish, tho very tired.

Tommy Daly of the Britannias put up the best bout he ever did against F. Lyons of the Uno A. C., whom he beat very cleverly. Lyons was quite shifty, but Daly boxed as tho before a mirror. He was in and out with a variety of leads, and Lyons never knew what to expect. Daly secured a big lead in points in the first two rounds, tho a stomach blow he received near the close of the second round did him no good. Lyons did more leading in the final, and Daly waited, so that the round was nearly even. Daly's neat work in the first two rounds earned him the verdict, however.

Johnny Edmunds of the Uno A.C., brother of Art Edmunds, Canada's champion featherweight wrestler, broke out of the maiden class in his bout with R. Thompson of the Twilight A.C. Edmunds in his previous bouts has shown an utter disregard for ring etiquet, but last night he showed marked improvement. He kept his head and fought coolly thruout. Thompson proved a terrific puncher, but so did Edmunds. Both were a little shy in skill, but they were eager mixers, and their bout did not drag any. Edmunds did the more leading, and had a clean margin all thru. Thompson was quite weak in the final round.

Christie registered his second victory of the evening when he defeated C. White of the Uno A.C. in the 118-lb. class. M. Lorsch of Merchants, who should have boxed White, was overweight. White was nervous and suffering from stage-fright. Christie had an easy time of it in consequence. He made his own pace, and landed when and where he pleased. White never had a chance to win. He was very weak at the finish.

Hern made his second appearance in the ring in the final bout of the evening with H. Sangster of the Merchants' Club as his opponent. Sangster had considerably the better of the weights, but was not nearly so clever as Hern, who fought with good judgment all thru. Sangster was away off in his leading, and Hern had no difficulty in avoiding the blows directed at him. Hern was the aggressor from start to finish and won easily. His jabs were very effective. N. Wrist, St. Andrews, was drawn against Sangster originally, but was taken sick after he had weighed in, and was unable to go on.

Welterweight Wrist weighed in, but when it came his turn to meet Sangster he could not be found. Lorsh, who won from Bertram in the 118 lb. class Thursday night, defaulted his bout in the special.

Veritas?

Sporting Editor World: Who is this truthful Johnny? We went out on Thanksgiving Day with 25 or 30 hounds and twice as many horsemen to hunt the fox, arriving at the coverts, northwest of York Mills, about 12 noon, a time of day when the most asinine ass should know that a fox cannot be got out of his burrow, as at this time of the year huntsmen preparatory to taking their dogs into the bush deer hunting give them in the mornings preliminary runs after the fox, and this worthy "Veritas" objects, to cover lack of foresight, because a few young men choose on the holiday to go into the country rabbit-shooting. Surely Veritas claims the earth, with, in this instance, a barb-wire fence around it, and tries to excuse somebody's stupidity by placing the blame where it does not belong. As an example of crass ignorance, stupidity and mismanagement, I may say that had a fox been found in the coverts worked over it could not have been hunted in any direction for a quarter of a mile owing to barbed wire fences, as this country is a perfect network of wire-fencing. There was general dissatisfaction on Thursday at the ridiculous position in which we were placed, and a few more such fiascos would leave the hounds with but a scant following, as one of the most glorious days of the season was wasted pottering around looking for the fox which did not exist above ground, in a country which could not be hunted over.

One Who Suffered.

Wellesleys and Victorias' Final.

The Wellesleys and Victorias will clash in a Junior O. R. F. U. game at Sunlight Park this afternoon to decide the victor in their group. The Wellesley intermediate team will have a practice before the game, and a full turnout of players is requested.

ASSOCIATION FOOTBALL.

Inter-College Schedule—About Proposed Rule Changes.

The schedule of the Intercollege Football Association is given below. "The communication from 'Enthusiast,'" writes Mr. Hayes, the capable secretary, "re some proposed changes in the method of scoring and in the rules, which was ordered by the annual meeting to be discussed at the first meeting of the new executive (the proposed changes were reported in the papers of Dec. 15) was accordingly thoroly discussed both in a special committee and in the executive. It was thought that the changes proposed would cause dispute, and that those re scoring would tend to destroy the combination and make the game less scientific. The suggestion of 'Enthusiast' that goal nets be provided was acted upon and they will probably be given a trial. The committee made a suggestion that the referee be given power to punish a player who is persistently in a position in which he is 'liable to be off-side,' i.e., when he is behind the opposing back and at the same time ahead of the ball. No change can be made in the rules except at the annual meeting, and so no action was taken in this regard."

Mr. Hayes states that they expect a successful season.

Shooting Ducks in Toronto.

Sporting Editor World: I would like to know thru the columns of your paper if the Chief Game Warden looks after the law-breakers around Toronto. You can go out any morning and find gasoline boats chasing ducks from Humber Bay to Ashbridge's Bay, and sailboats galore. There is a law against this, and why is it not stopped? With your assistance we hope it will.

R. Gelasple,
Hanlan's Point.

P.S.—If you need further information see Eddie Durnan, Sam Stevenson or any of those interested at the point.—R. G.

Wanderers' "Old Time" Run.

To-morrow morning the Wanderers' Old Boys will leave the Granite Club at 10 o'clock and wheel to the Half-Way House for dinner. All Wanderers and ex-Wanderers are requested to be on hand at the Granite Club sharp at 10 a.m.
