BOLOGNA SAUSAGES.—To ten pounds of beef take four of pork; chop and mix it; season well with six ounces of salt, and some black and cayenne pepper, cloves powdered, and chopped garlic. Put the mixture into beef skins, tie them, and put them for three weeks into brine strong enough to bear an egg, turning them every day; then dry and hang them up to smoke.

TO TAKE PAINT SPOTS FROM CLOTH AND SILKS.—Dip a quill pen in spirit of turpentine, and transfer to the paint spot in sufficient quantity to discharge the oil and gluten. Let it stand some hours, then rub it well, and all trace of the discoloration will disappear. For large and numerous spots apply the spirit of turpentine with a sponge, if possible, before it is become dry.

Thousands testify to the efficacy of Jacobs' Liquid.
