HE KNOWS FROM HIS EXPERIENCE

That Dodd's Kidney Pills Will Cure Bright's Disease.

Postmaster Cote Tells How the Great Canadian Kidney Remedy Cured Him After Doctors Had Given Him Up.

LE PETIT BOIS FRANCO, Tremblay, Quebec, Jan. 22.—(Special.)—Mr. Charles Cote, postmaster here, is firmly convinced that Dodd's Kidney Pills will cure Bright's Disease or any other disease of the kidneys. He knows it from his own experience.

"For over four years I was troubled with Backache, Rheumatism and lack of energy, and my urine was of a dark, unnatural color, and was attended by three doctors, who did me no good. The last one told me it was only a waste of money to try anything else as I could not live more than a year at the outside."

"At the verge of death I decided to give Dodd's Kidney Pills a trial. I used eighteen boxes and today my Rheumatism, Backache and Headache are gone. My urine is like that of a healthy child. I feel I owe my life to Dodd's Kidney Pills."

Postmaster Cote had all the symptoms of Bright's Disease. The doctors said the most deadly form of kidney disease. Dodd's Kidney Pills cured him. They will cure any form of kidney disease.

GREAT FUTURE FOR SOO
IF SIGNS READ RIGHT

W. K. Whigham, the London Director on the Board, Has a Long Talk With Cabinet.

Somewhat extensive and highly important developments are looked for at Saint St. Marie in connection with the reorganization of the Lake Superior Corporation. W. K. Whigham, who is one of the new directors from London, England, and represents Robert Fleming, the Scotch capitalist concerned in the undertaking, had a conference yesterday with Sir Jas. Whitney, Hon. A. J. Macdonald and Hon. J. C. Cochrane, and afterwards met all the ministers in town.

Mr. Whigham observed a discreet silence on all points in connection with the investigation about to be undertaken by Mr. Whigham was completed, but that in about two weeks there would be a report.

There is an idea prevalent that the government may soon be called upon to make good the promises of subsidies made under the Rogers government to the Algoma Central Railway, which is one of the branches of the Soo enterprise.
