SMALL CROWDS AT RACES

Betting Light-Pikers and Hustlers Have Little Money and Layers Small Bank Rolls.

NEW ORLEANS, Nov. 30 .- It is an odd tations. It is already predicted that because of the clash with Jacksonville th Tampa meeting will be a failure. There were large crowds at both tracks on Thanksgiving Day, but since then the gate receipts have not covered running expenses. Both tracks are holding back informa-

tion from the poolrooms with the idea that this industry will soon come across with a daily stipend that will help some. At Jacksonville the admission tariff has been raised from \$1 to \$1.50, which is said to be a reason for the small crowds. At both tracks the betting is so light that the layers are complaining. This as possibly explained by a local race track man, who said yesterday;

"The pikers and hustlers, with practically no money, have come to the bestcally no money, have come to the Piorida tracks to take chances. The majority of ayers have shoestring bankroils and are booking for soft money. No wonder there

A despatch from Pittsburg says tha the Toronto Baseball Club are after First Baseman Calhoun of the Jersey City Club, and that Calhoun is tickled to death with the idea of wearing a To onto uniform.

President McCaffery of the local club then asked last night if Toronto were after Calhoun, stated that so far as he knew nothing had been done towards getting Calhoun, but admitted that Manager Kelley might be working a deal for the first baseman.

Toronto at present have two first basemen in Grimshaw and Deal, the Lan-
