

## A TRIED AND TRUSTED REMEDY

**Dr. Thomas' Eclectic Oil Heads the Procession.**

**A Medicine that Cures and Heals, and that Commands a Sale Greater than any other.**

**W**HEN you hear of a medicine being "in everyone's mouth," and when you are told of a medicine that commands a larger sale than any of its competitors, and the demand for which increases year by year, and for many years, then you may be certain it possesses no ordinary degree of merit. Such in brief has been the history of **Dr. Thomas' Eclectic Oil** up to the present time. From far and near, from the rich and the poor alike, have poured in streams of testimony as to the wonderful cures effected by this **Oil**. In cases of Neuralgia, Rheumatism, Lumbago, Lamé Back, Asthma, Catarrh, Diphtheria, Coughs, Colds, Sore Throat and Croup it has achieved marvellous results; it has been used with equal success in the treatment of Piles, Frostbites, Chilblains, Toothache, Earache and Headache, while in its application for Burns, Bruises, Wounds and Sprains it has operated like a charm.

**Dr. Thomas' Eclectic Oil** has come to stay. It is just such a remedy as a suffering world has been looking and longing for; something reliable at a reasonable price. This remedy is up to the requirement as regards reliability, and it is down to the requirement as regards price, so that there is nothing more to be desired.

When accident happens, and a Burn or a Bruise or a Sprain is the result; when the joints and sinews are racked with Rheumatism; when one is made stupid

through having contracted a malignant Cold; when Asthma is present to rob one of the great refresher sleep; when life is made wretched by Catarrh, by Sore Throat, by Piles, or by Corns, then it is time to send for a bottle of **Dr. Thomas' Eclectic Oil**, which never fails to give relief even in the very worst cases.

In very many cases so-called remedies not only do not cure, but the reaction which follows the use of them throws the patient back and the last condition is worse than the first. It is very different with **Dr. Thomas' Eclectic Oil**, it not only invariably improves the condition of the patient, but it leaves no injurious effect behind. And it needs no assistant but nature in working a cure; it is all-sufficient, and all but infallible.

**USED FOR ALL AILMENTS**—MR. CHAS. G. GRIMES, Walker's Point, Ont., writes:—"Dr. Thomas' Eclectic Oil cures so many different diseases that every one uses it, and says it is the best medicine ever sold in this part of the country."

**STREET CAR ACCIDENT**—MR. THOMAS SABIN says:—"My eleven year old boy had his foot badly injured by being run over by a car on the Street Railway. We at once commenced bathing the foot with **Dr. Thomas' Eclectic Oil** when the discoloration and swelling were removed, and in nine days he could use his foot. We always keep a bottle in the house ready for any emergency."

**WORD FROM CALIFORNIA**—MR. J. F. MUNCEY, San Francisco, Cal., writes us:—"Dr. Thomas' Eclectic Oil is a wonderful medicine for reducing swelling; my leg was fractured, and the foot and ankle being badly swollen, I used the **Oil** and found it excellent for taking down the swelling."

**ONE BOTTLE DID IT**—MR. W. J. KENNEDY, Estmere, C.B., writes:—"Dr. Thomas' Eclectic Oil has a ready sale here. I tried it myself in a case of bronchitis, where all other remedies failed, and was cured with one bottle."

MR. JOHN GRAHAM, Stevensburg, Mich., writes:—"Dr. Thomas' Eclectic Oil is the best family medicine you can have in the house. I have been using it for fifteen years."

MR. W. B. HILL, Cobourg, says:—"I have used it for croup, and found it all you claim it to be; can also testify to its efficacy in relieving pains in the back and shoulders."
