

ANNUAL REPORT

OF

E. B. BORROR, ESQ., MANAGER OF THE MINES

DAVOS MINE, 1891-1892

WASH. D. C.

THE AMERICAN MINING COMPANY

SIR,

In submitting to you this report on the
mine and its operations for the year 1891-1892, I
trust I shall find you at least as interested as
I am. I have endeavored to present the facts of the
year in a clear and concise manner, and to show
the progress of the mine and its operations, and
the results of the year. I have also endeavored to
show the progress of the mine and its operations,
and the results of the year. I have also endeavored
to show the progress of the mine and its operations,
and the results of the year.

I shall think that which I have to say is of
two general kinds. The first is the progress of
the mine and its operations, and the results of
the year. The second is the progress of the mine
and its operations, and the results of the year.
I have endeavored to show the progress of the
mine and its operations, and the results of the
year. I have also endeavored to show the progress
of the mine and its operations, and the results of
the year.

Looking up the first half of the year, I find
that the mine and its operations were carried on
during the first half of the year with a view to
immediate results. The mine and its operations
were carried on during the first half of the year
with a view to immediate results. The mine and
its operations were carried on during the first half
of the year with a view to immediate results.
