---

WE ARE PLEASED TO NOTICE THAT

**GOLDIE & McCULLOCH,**

THE GREAT SAFE MANUFACTURERS,

have been awarded their **THIRD GOLD MEDAL**, this time  
at Ottawa, and for their

**BANK BURGLAR-PROOF SAFES**

AND VAULT DOORS. They also received no less than **FIVE FIRST PRIZE DIPLOMAS** there and at Sherbrooke, as well as Highest Awards at all exhibitions where they have shown. That this firm's make is now admitted to be *INCOMPARABLY AHEAD* of all others is proved by the enormous proportions to which their business has developed.

Of course they cannot do the whole business of the Dominion, but we do think no man is doing himself justice to order a safe without examining this firm's make, which we believe to be **THE BEST ON EARTH**. Ware-rooms in Montreal are at 298 St. JAMES STREET, where the business is managed by MR. ALFRED BENN.
