MARKET SQUARE AND KING STREET.MACK'S MUSICAL REVUE
OPERA HOUSE NEXT WEEK

Mack's Musical Revue, the attraction which scored such a success at the Opera House for ten weeks last summer, opens here on Monday evening for an indefinite stay. Two complete changes of programme will be made each week, the changes coming on Mondays and Thursdays. Matinee on Wednesday and Saturday only. The company is under the personal direction of Ullie Akersstrom. The programme for Monday, Tuesday and Wednesday nights and Wednesday matinee is a well selected one, and includes the musical melange, "Fills and Follies," with all the new dances and song numbers; Bob Winstanley, eccentric singing and dancing comedian; Bud Shepard and Eleonore Ott; the rapid moving farce in one act, "Our Wild Wives," played by Ullie Akersstrom and company; the only original Nat Farmus; Anne Seaton, a chic, well trained singer of good songs; the musical skit, "The Roof Garden," which introduces a host of new things in the musical line with plenty of gaiety and action; concluding with a big musical finale and the patriotic tableau, "The Voice of Belgium." There are 16 people in the company, all good singers and dancers. Seats for all performances of the week are now on sale at the box office. See advertisement in another column. There has already been a big advance sale and a crowded house is assured to welcome this popular company for another stay in St. John.

VIOLET DAY BROUGHT IN MORE THAN \$2,775

The total receipts of violet day amounted to a little more than \$2,775. The announcement was made at last night's meeting of the executive of the Playgrounds Association, at which twenty-four members were present. W. B. Tennant presided.

Gratifying reports from the Boys' Club, Girls' Club and Travelers' Aid were received. The organization of a schoolboys baseball league was approved. The president, vice-president, secretary-treasurer, and Mr. E. Agar, with power to add several bodies, were appointed a committee to report on the next meeting of the association.

Mrs. D. H. Wetmore was made an honorary member and warm tributes were paid to her work as a member of the executive, and the secretary was instructed to convey to her an expression of the most hearty appreciation.

SPRING REMINDERS OF RHEUMATISM

Raw, Damp Weather Starts the Pain, But the Trouble Lies in the Blood.

Spring weather is bad for rheumatic sufferers. The changes from mild to cold, the raw, damp winds start the aches and twinges, or in the extreme cases, the tortures of the trouble going. But it must be borne in mind that it is not the weather that causes the trouble. The trouble is rooted in the blood—the changeable weather merely starts the pain. The only way to reach the trouble and to cure it is through the blood. The poisonous rheumatic acids must be given temporary relief, but cannot possibly cure the trouble. The sufferer is only wasting time and money with this kind of treatment and all the time the trouble is becoming more deeply rooted—harder to cure. There is just one speedy cure for rheumatism—Dr. Williams' Pink Pills. They act directly on the impure, acid-tainted blood. They purify and strengthen it and thus root out the cause of the rheumatism. Here is strong proof of the above statements. Mr. J. Routley, Sydney, Man., says: "I was so badly crippled with rheumatism in my hips and knees that I could hardly go about. I began the use of Dr. Williams' Pink Pills, which I took steadily for a couple of months, by which time all traces of the trouble had disappeared. I can most strongly recommend the Pills to all rheumatic sufferers."

Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

WOMAN REFUSES OPERATION

Tells How Lydia E. Pinkham's Vegetable Compound.

Logansport, Ind.—"My baby was over a year old and I bloated till I was a burden to myself. I suffered from female trouble so I could not stand on my feet and I felt like millions of needles were pricking me all over. At last my doctor told me that all that would save me was an operation, but this I refused. I told my husband to get me a bottle of Lydia E. Pinkham's Vegetable Compound and I would try it before I would submit to any operation. He did so and I improved right along. I am now doing all my work and feeling fine. I hope other suffering women will try my Compound. I will recommend it to all I know."—Mrs. DANIEL D. B. DAVIS, 110 Franklin St., Logansport, Ind.

Since we guarantee that all testimonials which we publish are genuine, is it not fair to suppose that if Lydia E. Pinkham's Vegetable Compound has the virtue to help these women it will help any other woman who is suffering in a like manner?

If you are ill do not drag along until an operation is necessary, but at once take Lydia E. Pinkham's Vegetable Compound. Write to Lydia E. Pinkham, Medicine Co., (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman, and held in strict confidence.

NEXT WEEK'S BILL AT GEM THEATRE

The War News—"Perils of Pauline"—Sherlock Holmes and Other Features

The tenth episode in "The Perils of Pauline" at the Gem Theatre yesterday gave much pleasure. It contained many stirring incidents and Pearl White was seen to advantage in many thrilling scenes. This will be repeated with the other parts of the programme today, while the serial will be continued next Friday and Saturday with the 11th episode. For the mid-week show a Sherlock Holmes feature will be given, Ford Sterling appearing in "The Study in Scarlet," supported by Grace Cunard, and giving a capable enactment of the role of Conan Doyle's famed detective. Edwin August, popular motion picture favorite, will afford pleasure on Monday and Tuesday next in a three part feature of New York "gang life," "The Bomb Thrower," while in addition the Pathe News Weekly will contain many entertaining and instructive features from recent events in the war and elsewhere.

DOOMED TO DISAPPOINTMENT

An old lady who rarely went to the theatre was seated in the front row of the pit endeavoring to see what was going on. A courteous young man, seeing she was short-sighted drew his binoculars out and said:—"Won't you have a glass madam?" The old lady looked gratified, and glancing from left to right, slipped her handkerchief over the binoculars and placed them in her lap. A moment later she raised them to her lips. A flush came to her cheeks, and she whispered to the young man angrily:—"You've been making fun of me. There ain't a blessed drop in the glass."
