

ROWDYISM SAID TO BE CAUSE OF SMASH-UP OF BORDER LEAGUE

RECENT FIGHT IN CALAIS PUT STOP TO SERIES

Management Disgusted And Pay Off Players

THE local baseball season is about at an end and it has terminated differently than was expected, says the St. Croix Courier. The managing committee have got out from under and what players now remain are "on their own."

The last St. Croix League game was played last Saturday on the Calais diamond—and it was "some game"—with "rimball" Phinney and Saunders were the umpires and there were murmurings all afternoon about decisions—murmurs all over the lot.

Umpires in Trouble.

Several players didn't believe that a man betting on the game was qualified to umpire a game. Moditt had his finger under Umpire Phinney's nose about all afternoon, protesting decisions and Tibbitts was once ordered out of the game for offensive remarks to Phinney. But he still played on. Connors, Milto's peppy first baseman, had his mitt in the ring in protest a good part of the time. It all ended in a grand melee, with Saunders as the storm centre.

Get Into Fight.

Two young men, from Milto, N. B., and Milto, Me., had a stand-up and knock-down which ended with the pair being escorted off the field by a Calais policeman. It was altogether a disgusting exhibition for which the players themselves were largely to blame. The game went 4 to 2 in favor of Milto.

Threw Up Their Hands.

The Calais management had had enough and that evening paid off their men in full to date, wiped their hands of the management.

Milto Claims Title.

The Calais team with the first section, and as the Calais players were not willing to continue, and divide the game receipts according to the rules of the league, there was nothing left for Milto today but claim the championship of the season of 1925, as they were the leading team of the second section, when the league broke up on Saturday last.

The players of the Milto team, having been used right by the management, and acting on the square themselves, asked to be released from the management of the Milto team, so they might go barnstorming and play on their own on Monday last, with the best wishes of the managing committee, and the citizens of the town of Milto.

VETERANS LOSE IN SOFTBALL LEAGUE

Vanquished by St. Jude's—Assumption team is now in the lead.

In the Senior Softball League game in West Saint John last night the St. Jude's team won from the Veterans by a score of eight to six, in a seven inning game, which was one of the best of the season. Both teams were in fine form, showing the result of the season's training. The game saw-sawed back and forth until the sixth inning when St. Jude's pushed over four runs and took the lead by eight to four. The Vets came back with two, but that was not enough. The umpire called the game at the end of the seventh inning. The Vets had gone to bat in the eighth inning and had scored three runs but the game had to be called on account of darkness and the score was put back to even innings.

The games still to be played in the league are: Ludlow vs. St. George's; St. Jude's vs. Ludlow and Assumption vs. Vets.

Saint John Power Boat Club Arrange For Annual Cruise and Service

Along The Sport Trail

By RAY HANSEN

ONE OF THE big attractions of the season will be staged on the east end grounds tomorrow afternoon when the Water Department and Saint John the Baptists teams meet in the second of their series of three games to decide the championship of the City Senior League. Their initial clash on Wednesday evening was in truth a thriller, but tomorrow's game should be even more bitterly contested. The teams are evenly matched and the breaks of the game will undoubtedly go a long way in deciding the issue. Both teams have two crack pitchers and hard working and clever catchers. In addition both the infield and outfield berths are well fortified. The Watermen seem to have a shade in batting and also an edge in base running, although the Saints will undoubtedly put forth every effort to offset this. If weather conditions are fine the grounds committee had better make provisions to handle the crowd. There is no occasion for fans crowding on the playing field, but unless there is someone in authority to keep them back they are sure to do so. At Wednesday's game no less than 292 automobiles crowded into the park and it is a safe bet that many more will be on hand tomorrow.

KEN WILLIAMS, slugging outfielder of the St. Louis Browns, has apparently lost his chance to set a season's record for circuit drives. In a game in Cleveland last Saturday he was struck on the head by a pitched ball and it was feared his skull was fractured. He will be out of the game indefinitely.

IT LOOKS AS IF "Duster" Mails has staged a real comeback with the St. Louis Nationals. Local fans will recall his sensational pitching while a member of the Cleveland club and especially his great work during the world's series. Later he took a decided slump and was sent to the Pacific Coast League where he went like a house afire in 1924. Last winter he was purchased by the St. Louis magicians and this spring during an exhibition game he threw his arm out. He was sent in several times by Branch Rickey, while he was managing the team, but "Duster" made a miserable showing and as a result was "panned" by fans and players alike. His one friend was Sam Breadon, club president, who had been told how hard Mails was working to get his arm in shape and he refused to let him out. Fans who have followed the National League scores know that "Duster" made good with a vengeance. In five starts he only lost one game and that was to Dazzy Vance, who was unbeatable that day and turned in a new National League record for 17 strikeouts. Twice Mails turned back the New York Giants who were striving so hard to regain their former position at the top of the league.

FANS WHO READ almost daily about Dempsey denying that he will engage in any bouts this year and about the fruitless efforts of promoters to match Mickey Walker and Dave Shado, must admit at least one champion, Harry Greb. Harry is ready and willing to meet all comers at any time.

IT IS CERTAINLY gratifying to learn that Saint John will be represented at the Maritime rowing championships, which have been awarded to Halifax. Even if local followers of the sport will not be privileged to see the boys perform at least they will be able to read about their achievements, to say nothing of the fact that it will be a step towards keeping the sport alive. In Giggsey and Ward competing in the senior events and Logan, McCavour and Ingraham in the junior events Saint John will be well represented. The New Brunswick Executive are to be congratulated for arranging to send the boys to the championships.

Mackmen Ousted From First Place By Champion Senators

NEW YORK, Aug. 21.—A twelve-inning mound duel won by Washington one to nothing, carried the world's champions back into the American League leadership by a full game yesterday, as the Mackmen suffered their third straight defeat from the Browns, seven to six. The reverse dropped Philadelphia from the peak for the first time in slightly more than a month. A home run by Rice and a triple by Sisler in the ninth did it.

The Senators hit Miller rather freely, but were extended three extra frames by Cleveland before they could land a finishing blow. A wild throw and singles by Rice and Goslin, put the game across for the champions. Zachary quit after the eighth for a pinch hitter, and Marberry then buffed for the champions. In spite of the fact that they lost a hard-fought game to the Cubs yesterday, while the Pirates were regaining their three-game advantage as the result of a fluke home run by Cuyler, 2 to 1, the New York Giants today were loaded with trouble for the National League leaders with their pitchers in top form, the four-time league champions were calling upon their fighting pluck for a gas-finish.

HAVANA DOCTOR TELLS OF TRAVELS

Delivers Greeting Lecture in Kiersteadville Church, Belleisle.

A brilliant and educational lecture was delivered on Sunday evening in the Kiersteadville church, Belleisle, by Dr. Clifford Ryder, of Havana, Cuba, a graduate of Stanford University, a member of the Royal College of Surgeons, England, and a Licentiate of the Royal College of Physicians, London, Eng. He has traveled very extensively through North and South America, Europe and Asia. He entertained the audience with a graphic portrayal of life in the Hawaiian Islands, where a period of his time was spent in the U. S. Marine Service. He vividly described the azure waters of the Southern Pacific, the grandeur of tropical nights at sea and Honolulu harbor and its beautiful bay fringed with waving royal palms. Their isolated position and natural beauty caused those islands to be known as the "Paradise of the Pacific" for there the natives enjoyed life in the most primitive, and from a medical standpoint, in the most healthful, happy and normal manner of all the peoples on earth, he said.

LIVING STATUES.

Dr. Ryder described the native Kanak men and women as bronze statues in life, full of love, sincerity and kindness towards the white race, with an innate fondness for good music and being absolutely free from cancer, tuberculosis, rheumatism, heart, kidney or other organic diseases attendant on our high degree of civilization. Their methods of procuring food proved them to be skillful hunters, fishermen and divers.

ST. PETERS WIN FROM NATIONALS BY CLOSE SCORE

Victory Gives Them Lead For Championship

ST. PETER'S Intermediate team strengthened their hold on first place in the championship race last evening by vanquishing the Nationals, the runners-up, on the North End diamond by a score of 8 to 1. Burgess, the Saints' pitching ace, was in fine form and held his opponents to three hits in addition to turning back 11 batters via the strikeout route.

Went Seven Innings.

The game went seven innings and was well contested. Neither team was able to score in the first two innings, but in the first of the third the Saints took kindly to Armstrong's offerings and by bunting his sent a runner across the pan. They secured two more in the fifth and put the game on ice. In the last of the sixth the Nationals started a rally, but were shut out after getting one run.

ARGENTINE GREATLY IMPRESSED BY HEIR

Prince is Hailed as Coming Monarch of Greatest Empire of Centuries.

BUENOS AIRES, Aug. 21.—The newspapers of Buenos Aires comment extensively in a complimentary vein on the visit of the Prince of Wales to Argentina.

It is necessary to remember, says La Nacion, that the Prince, whose face is familiar through all the world, and who is everywhere welcomed, will one day be monarch of the "Greatest Empire of centuries."

The newspaper continues: "His word later on will weigh in human destiny and the world which knows the innate goodness of his heart, tranquilly await the time when his counsel will perhaps guide the fortunes of several civilizations."

MANNER LAUDED.

One of the most surprising things about the Prince, says La Nacion in his sober manner when he answers the plaudits of the crowds. "This is not the purely diplomatic salute to which we are accustomed. It is the intelligent sympathetic attitude of an illustrious traveler, who wishes to know and understand a people."

An afternoon paper, La Razon, says that, thanks to the Prince's visit, Britain has turned upon the Argentine the searchlight of her curiosity. La Razon points out that Buenos Aires is to South America, what London is to Europe, and that this visit therefore is not of purely British and Argentinian significance, but rather of universal importance.

Soloman Loses To Maloney on Foul

BOSTON, Aug. 21.—King Solomon of Panama forfeited the decision to Jim Maloney of Boston at the end of the third round of the scheduled 10-round battle at Beave's Field last night, when the referee called a foul on a hard right to the jaw, which knocked out Maloney just after the bell struck. Solomon had carried the first and third rounds. He weighed 189½, and Maloney 176.

FOUR EVENTS TODAY ON GRAND CIRCUIT

Centuria \$3,000 Stake is Feature—Small Field in All Races.

CLEVELAND, Aug. 21.—Four races, headed by the Centuria \$3,000 stake for 2-year olds, comprised the Grand Circuit card at North Randall today. Small fields were named in all events. The probable starters in the stake were Trumpet, winner of the \$25,000 trotting derby, at Aurora, Todd Hart, winner of several stakes here, Diamond Axworthy and The Great Lullwater.

The 212 pace also attracted attention because of the meeting of Norman Grattan, undefeated this season, and Miss Ozer Moko. The latter makes her first start for James P. Perry, Hartford, Conn., who purchased her for \$14,000 after she set a new world's racing record for a mile and an eighth by stopping it in 2:18.2-3 Friday. There were other probable starters.

A three year old pace and a 2:16 trot, each with six probable starters, completed the card.
