

## POLICE RECEIVE FIRST AID BADGES

Presentation Made at Public Meeting in G. W. V. A. Rooms—Other Winners Receive Trophies.

Six members of the city police first aid corps last evening received the silver badges awarded to them as the second team in the all-Canadian competition for the Shaughnessy police trophy for first aid work. The competition was held under the auspices of the St. John Ambulance Association and Dr. James Magee, president of the local branch of the association made the presentations last evening at a public meeting in the G. W. V. A. rooms. Before presenting the police awards, Major Magee spoke of the first aid corps which the police had won and said Col. Hodgetts, who had conducted the trophy examinations, had been greatly pleased with the showing made by the St. John team. He gave special praise to the man who had acted as patient for the team, Percy Genter, saying that the intelligence and prompt response of the patient had been greatly to do with the high marks made by the team. The stretcher work, for which Alexander Chisholm was the trainer, also had been warmly praised by Col. Hodgetts. Major Magee pointed out that a great deal of credit was also due the instructor, Dr. G. G. Corbett, and others who had assisted. The members of the team were called to the front in turn and each had the coveted prize pinned on by Major Magee. The awards are round badges of silver with the words "Shaughnessy Police Competition, 1922" inscribed on the back. Major Magee announced that the St. John Ambulance Association would have the names of the winners inscribed on the badge later. The front of the badge is very handsome. A laurel wreath design forms the outside border and raised in the centre is the St. John Ambulance emblem with its Maltese Cross in silver set on a background of white and black enamel.

Sergeant Spinkney was the captain of St. John team and his splendid work was given high commendation. The other awards were then presented to the various classes in turn. Those receiving awards were as follows: Police Team—Sergeant Spinkney, P. C. Ralph Dykeman, P. C. Robert Storey, P. C. James Corbett, P. C. Percy Genter, P. C. Alexander Chisholm.

St. Paul's Ladies' class, instructed by Mrs. Reginald Scholten—Mrs. Hurdell, Mrs. Fowles, Miss Ada Peacock, Mrs. F. W. Peacock and Miss May Peacock.

St. Paul's Girl Guides—Patrol Leader Beale Bewick, Dorothy Dunlavy, Myrtle Fowler, Patrol Leader Ida Lyon, Zela Pitt, Constance Sheraton, Violet Weir and Patrol Leader Winnie.

Other classes which had won awards but which were unable to be present to receive them were as follows: Second Rotherham Company of Girl Guides—The Misses Audrey Allison, Helen Blanchet, Helen Cannell, Barbara Fairweather, Katherine Peters, Margaret Peters, Frances Robinson and Dorothy Sparrow.

New Brunswick Telephone Company—Norman Betts, A. C. Lemon, Everett McKay, Augustus Mueller, Everett Robinson, Kenneth Todd, Ellis R. Watson and George C. Worden.

Specially pleased members of the audience were Chief of Police Smith and the Commissioner of Public Safety.

## St. John Ambulance Association Meets

Encouraging reports were received last evening at a meeting of the St. John Ambulance Association, New Brunswick Council, in the G. W. V. A. rooms last night. A. C. Skelton presided, and others present were Mrs. A. M. Rowan, C. A. Robinson, James Magee and Miss Irene Barber, the secretary. The financial report was very satisfactory, and the report of the secretary dealt in detail with the activities throughout the last few months.

Correspondence read included letters from head office giving information regarding the issuing of first aid certificates for duly qualified instructors. The head office also sent word that commencing on May 1, 1923, the word "distinguished" would be placed on the certificates for first aid, home nursing or home hygiene when the candidate made over 75 per cent in the examination marks. The total marks amount to 120 and 75 per cent of the word "distinguished" would be placed on the certificates for first aid, home nursing or home hygiene when the candidate made more than 80 per cent or more than 86 out of 120.

The typhoid epidemic in Edmonton is now well in hand, according to Mrs. Harriet T. Mulholland, director of public health nursing, who returned from that district yesterday. The four nurses there have only about twelve cases on hand now, the rest of the eighty who were suffering from the disease being convalescent. There have been no new cases in the last few days.

**Sloan's**  
Reduces swelling of bruises and strains. It may be a sprained wrist or elbow—a bruised muscle—a strained tendon—You cannot foresee it. But you can keep Sloan's handy to relieve the pain. Sloan's brings immediate comfort. It breaks up the congested and inflamed condition and restores normal circulation. Use Sloan's to guard from pain as you would an antiseptic to prevent infection. Your druggist has it.

**Sloan's Liniment—Kills pain!**  
For rheumatism, neuritis, neuralgia, colds.

## POLICE COURT

A case against Roy Robson, charged with obtaining money under false pretences by passing worthless checks, was before the magistrate yesterday afternoon. Arthur Morris testified that the checks had come to his store on February 28 and asked him to cash a check. He had been unable to cash it but had loaned him \$4 on it. Later Robson had returned and borrowed another \$10 on it. Morris testified that the check was cashed the next day and got it cashed and paid Robson \$45 due him on it. The same day he had had to go to the bank and make good the check as there was no funds. He had tried to get the accused to fix the matter up but had failed repeatedly and had had to have him arrested. The case was postponed until Saturday morning at 11 o'clock.

## MEMORIAL WINDOW HONORS BRITISH WOMAN MISSIONARY

London, April 1.—(By Mail).—To the memory of "The most famous woman missionary of the age," as she has been called—Mary Slessor, of Calabar—a memorial window is being erected by public subscription in the Albert Institute of Dundee, her native town. It will be unveiled in September. The winning design is that of William Allan, of Glasgow Town, and deals with various incidents in the life of Mary Slessor, says "The Westminster Gazette" report. They show her in her loom in the Dundee factory, where she worked till she was twenty-six, and also standing before Calabar and stopping a battle by her cool audacity. A scene is also depicted in which she, surrounded by native chiefs, is shown acting as the acknowledged representative of the British Government and peremptory vice-president of the native court at Ikotabong, Calabar, West Africa—two unique honors bestowed on a woman.

## GIN BOTTLE UNDER TABLE

IS NOT LEGAL EVIDENCE New York, April 26.—A bottle of gin found under a dining table is no proof that the diners are in possession of the contraband, it was ruled by Magistrate Goodman in West Side court. The court dismissed the charges of possession brought by the police against William Gibbs, an automobile salesman of 280 Park avenue.

The court also dismissed a charge of "permitting liquor on the premises" which rested for a short time against Patrick Kyne, proprietor of the Little White House Cabaret, 285 Amsterdam avenue. The court held there was no evidence to prove that Kyne had permitted the liquor there, even though it was there.

Evidence was that Gibbs and Kyne and two women occupied a table in the restaurant when policemen happened to enter. The policemen spied the bottle said to have contained gin and pounced upon the two men. The women in the party were permitted to go.

The Woman's Auxiliary branches of St. Mary's and St. Luke's churches held their closing meetings of the season yesterday afternoon at St. Mary's. The service was by Mrs. S. Dyer and Mrs. H. McCurdy, and Mrs. Samuel Willis, the president, made a farewell speech. Mrs. R. P. McKim, the president of St. Luke's branch, presided at the meeting in St. Luke's. The Church of the Good Shepherd W. A. met at the home of Mrs. Robert Bartlett, with Mrs. Amy Bender presiding. They are not yet contemplating stopping their season's work.

## Laxative Syrup Pepsin Helps Nature Give Relief

Try it when a Laxative is needed and see the wonderful results

It is not necessary to take a violent physic for so simple an ailment as constipation. Yet many thoughtless parents give mercury in the form of calomel, and calomel in the form of phenol when a natural vegetable compound like Dr. Caldwell's Laxative Syrup Pepsin will do the work equally well and without danger.

Phenol is a powerful and dangerous poison, and in certain conditions it causes that phenol poisoning, by whatever name known and however disguised in candy, may cause dermatitis and other skin eruptions; that salt waters, laxatives may concentrate the blood, dry up the skin and cause leprosy.

You can take Dr. Caldwell's Syrup Pepsin yourself or give it to a babe in arms, as thousands of mothers do every day, with the confidence that it is the safest and best medicine you can use for constipation and such complaints. A teaspoonful will relieve.

ANY FAMILY MAY TRY IT FREE. Thousands of parents are asking themselves, "Where can I find a trustworthy laxative that anyone can safely use when constipated?" I urge you to try Dr. Caldwell's Syrup Pepsin. It will gladly provide a liberal free sample bottle, sufficient for an immediate test. Write me where to send this bottle. Address: Dr. J. C. Caldwell, P.O. Box 100, Littleton, Colo., U.S.A. Do it now!

have you ever night even if the constipation has been chronic for years. Dr. Caldwell's Laxative Syrup Pepsin is a compound of Egyptian pepsin and pepsin with pleasant-tasting aromatics, and does not cramp or gripe. Every druggist handles it, and bottles are so general that the cost amounts to only a cent a dose. You buy it with the understanding that if it does not do as claimed your money will be refunded. The names of the ingredients are on the package.

Mrs. Geo. Reeve, of Galt, Ont., writes Dr. Caldwell's Laxative Syrup Pepsin with good results and is greatly pleased with it; and Mrs. R. Jennings, of Toronto, Ont., finds it very satisfactory. Bring a bottle of Dr. Caldwell's Laxative Syrup Pepsin to your own home and let the family use it for constipation, biliousness, wind, gas, headache, flatulency and to break up fevers and colds.
