LOCAL NEWS

Dr. J. F. L. Brown, district medical health officer, returned last evening from Sussex, after inspection of dairy conditions in Kings county.

Four hundred men have been placed on farms in the province through the Soldiers' Settlement Board, all returned soldiers.

The Fraser Companies, Ltd., are planning the erection of two lumber mills at Campbellton, N. B., one for the manufacture of long lumber, the other for shingles.

Sir Frederick William Lewis, Bart., recently appointed chairman of the Furber-Wilby Co. Ltd., is expected in St. John in the near future on a tour of inspection of the branch offices.

Chief Coughlan of the Chatham police force was in the city yesterday, having brought a patient to the Provincial Hospital. The chief is a brother of Police-man Walter B. Coughlan of the local force.

The Commercial Brokerage Co., Ltd., was reorganized yesterday. W. S. Allison was elected a director. The other officers and directors are: S. K. Smith, president; A. C. Wilson, vice-president; Miss Lucy Comeau, secretary-treasurer; and W. A. Taylor, sales manager.

At a meeting of the Women's League of St. David's church yesterday, Mrs. A. Morrison presiding, reports in behalf of the organ fund were presented, showing \$850 recently procured in a pantry and supper sale.

At a meeting of Retail Dry Goods and Gents' Furnishers' Clerks in the board of trade rooms last evening, a new organization was formed, with 100 charter members. The following officers were elected: President, A. C. Wilson; vice-president, George Andrews; secretary, Miss McKay; treasurer, Edward Waters.

Cecil Cartier, sixteen years old, of Clarence street, was severely shaken up last evening in Charlotte street by being knocked down by an automobile driven by Edgar L. Stevens. Policeman Killen took him to Dr. McAlpine, who found he was not badly injured. Witnesses said no blame attached to the driver of the car.

Besides the local priests, the following were present at the diocesan meeting of the St. John diocese held in the Bishop's Palace yesterday: Rev. Louis Guertin, C. S. C., president of St. Joseph's University; Rev. Monsignor Beaulieu, Grand Digne; Rev. F. X. Robichaud, P. O. C.; Rev. F. L. Carney, Fredericton; Rev. H. L. Coughlan, St. Martin's; Rev. Francis Walker, acting pastor of Johnville; and Rev. John Flaherty, St. Stephen.

At a meeting in the Union Club last evening the paid-up charter members of the St. John Society of Music were reported as numbering 850. A meeting will be held soon for the election of officers. L. McLachlan, W. F. Hatheway, Misses Louise Knight and Pauline Beideman were appointed a committee to arrange for it. A. N. McLean presided last evening.

The smoker and entertainment which was to have taken place at the G. W. V. A. hall last evening was postponed as the committee were unable to have the colored troupe there to perform and it

INFLAMED GUMS—A CAUSE OF LOOSE TEETH

Pyorrhea is undoubtedly a vital danger to both gums and teeth. Tender gums indicate it, and with it come loosening teeth. Imperceptibly, at first, the gums recede from the normal gum line. They inflame. They present many tiny openings for millions of bacteria to attack the unenameled tooth base. Tooth-base decay quickly follows. Even if the cavity be filled and the tooth saved, the gums continue to recede. Remember, too, that inflamed and bleeding gums act as so many doorways for disease germs to enter the system—infecting joints or tonsils—or causing other ailments.

Against this Pyorrhea (Riggs' Disease) ordinary tooth-pastes are powerless. Yet Pyorrhea attacks four out of five people who are over forty, and many under this age. But Forhan's—if used in time and used consistently—positively prevents Pyorrhea. It is a scientific tooth cleanser as well. Brush your teeth with it. See how promptly bleeding or gum tenderness ceases and how your teeth are kept white and clean.

If gum-shrinkage has already set in, start using Forhan's and consult a dentist immediately for special treatment.

was decided to hold the smoker at some later date when these artists would be able to appear.

A. M. Bolding delivered an interesting address on athletics and playground work in the city at a meeting of the Loyal Order of Moose last evening. W. J. Crawford, dictator, occupied the chair. A letter from the supreme secretary told of the work being done at the Mooseheart Home for Children at Mooseheart (Ill.), where 700 children, five per cent of whom were of Canadian or British origin, were being cared for. It was decided to hold a series of entertainments during the winter.

GROUND TO DEATH BETWEEN THE COGS

Simcoe Man Meets Terrible Death in Wheelhouse of His Mill

Simcoe, Nov. 12.—Homer Waffie, superintendent of the Simcoe Wool Stock Company, was instantly killed, his body passing between the two large bevel cogwheels in the wheel house at the time there were with him at the time two workmen of the plant, who stated that just previous to the tragedy the unfortunate man was a short distance from the wheels, in line with the vertical wheel on the transmission shaft. Endeavoring to ascertain the cause of a tremor in this shaft, one of them turned his back for a moment, and, hearing a shout turned off the water. The body was literally cut in two.

Mr. Waffie had been in charge of the plant for about fifteen years.

A Nervous Wreck

How many business men feel fagged out, nervous, with a "soggy brain"—worn out completely before the day and its tremendous tasks are half over? Try the right way! Clean the body first. That will help your nerves, your head and your circulation. Your doctor will tell you that anything from a headache or a common cold to grippe or a serious illness may result from allowing food to ferment in the intestines. Don't give the body a chance to absorb the poisons. Remove the toxins from the system and give the tissues of the body aid to resist disease by taking an occasional laxative such as castor oil, or a tiny pill made up of May-apple, aloin, jalap, and sold by most druggists as Dr. Pierce's Pleasant Pellets.

The kidneys and bladder suffer from the wear and tear, and we get chronic inflammations sometimes indicated by backache, painful voiding of water—dull, heavy feelings. Perhaps the uric acid is stored up in the system in excessive amount, and consequently when the urate salts are deposited in muscles and joints one suffers from lumbago (pain in back), rheumatic pains, gout, etc.

Nothing will act so nicely as "Anuric" (anti-uric-acid), a recent discovery of Dr. Pierce's which can be had at all drug stores. "Anuric" washes away the poisons, cleanses the bladder and kidneys—rendering them antiseptic—consequently one is soon cured of lumbago, rheumatism, gout, and the body is put into a clean, healthy state.
