

PERSONAL AND SOCIAL NEWS OF THE WEEK IN ST. JOHN

Society weddings, banqueting a popular senator, a reception by the Lieutenant-Governor, a luncheon given by a prominent hostess in honor of Mrs. Black, the governor's daughter, a grand opera season at the Opera House and the opening of the new Imperial Theatre on King square are some of the important events on this week's social programme. Not often has it happened in St. John that a social season began under such happy auspices and while it is yet too early in the month to expect hostesses to rush into the giving of formal entertainments, there is little doubt that the gay doling of the present week will start the ball a-rolling.

The Least Governor and Mrs. Wood arrived in town on Wednesday to assist at the opening of the new Imperial theatre, which event was celebrated with great eclat on Friday evening. Mrs. F. Black accompanied her parents to St. John.

On Friday Mrs. Manning Doherty was hostess at her residence in Colburn street, at a handsomely appointed luncheon of twelve covers in honor of her guest, Mrs. F. B. Black, daughter of the Lieutenant Governor of the province. A sister, Mrs. Harvey, of Montreal, was among the guests. The beautifully arranged table was centered with yellow crystal chandeliers in cut glass perspective. Yellow roses were placed as favors at each cover. The hostess was charmingly contented in pale yellow crepe de chine trimmed with rose point lace. The guests included Mrs. Black, Mrs. Harvey, Mrs. Leonard Tilley, Mrs. Frank Fairweather, Mrs. Daniel Mullin, Mrs. Walter Harrison, Mrs. Rupert Rive, Mrs. F. C. Macmillan, Mrs. H. N. Stannburn, Mrs. D. P. Chisholm, Miss Francis Travers.

On Friday of last week a very delightful tea was given by Mrs. John Winslow, at her residence in Carmarthen street, for her daughter, Mrs. Pauline Winslow, of Ottawa. The halls and drawing room were beautifully decorated with quantities of golden red and gold glow. The tea table which was daintily appointed, had as center piece a lovely cut glass bowl filled with pink carnations. Mrs. Charles Bostwick presided. The ice cream was served by Mrs. F. J. Harding. Assisting with the delicious refreshments were Miss Vera MacLennan, Miss Nora Robinson and Neelie Sanderson. The hostess was handsomely gowned in black crepe de chine trimmed with white real lace. Mrs. Pauline Winslow looked charming in a blue and white chiffon gown over chain satin, the bodice trimmed with Maltese lace, and she wore a long pearl chain and diamond La Vallere necklace. Among those present were Mrs. Robert Thomson, Mrs. Herbert Clench, Mr. Keator, Mrs. DeSoyes, Mrs. Inchev, Mrs. George F. Smith, Mrs. M. MacLennan, Mrs. J. M. Roblin, Mrs. Warren C. Winslow, Mrs. D. J. Linn, Mrs. W. H. Purdy, Mrs. W. O. Raymond, Mr. Maynard, Mrs. Laren, Mrs. David McLellan, Mrs. James Seely, Mrs. Armstrong (New York), Mrs. A. C. Sclifton, Mrs. Neale, Mrs. D. P. Chisholm, Mrs. J. W. Davidson (Rothsay), Miss Janetta Bridges, Miss Louise Symonds.

Miss Travers entertained informally this week at tea for Miss Teresa Ferguson, of Boston, who for the last two weeks had been her guest. Miss Francis Travers and Mr. D. B. Edgson, by their delightful rendering of some vocal numbers, contributed greatly to the afternoon's enjoyment. Those present were Mr. and Mrs. F. S. Whittle, Mr. and Mrs. James U. Thomas, Mrs. D. Carleton Clinch, Mrs. George V. McInerney, Mr. and Mrs. D. B. Edgson, Mrs. D. P. Chisholm, Mr. Guy of Montreal, Inspector of the Royal Bank, who spent a few days in St. John this week, Mr. D. Russell Jack, Mr. D. Arnold Fox, Mr. Blake McInerney.

The banquet on Monday evening at the Union Club in honor of Senator Thorne, was a delightful function in every respect. As politics did not enter into the affair at all, the personal tributes paid to the guest of the evening must have gratified even as popular a gentleman as Senator Thorne is known to be. Mr. George McAvity made an ideal chairman and toast master. Others who proposed toasts were Dr. Thomas Walker, Judge McLeod, His Worship Mayor Frink, Mr. Baxter and Mr. John M. Robinson. The tables were beautifully decorated, the dinner was faultlessly served and an orchestra was present to charm the guests with good music. Altogether the dinner is spoken of as having been one of the most successful ever given in the city.

Mrs. Charles MacPherson was hostess on Thursday afternoon at the Green Lantern at tea, for her guest Mrs. Arthur, who expected to return home yesterday afternoon.

A very fashionable audience greeted the opera singers on Thursday night at the Opera House, when Cavalletta Rustica was presented in a manner which was truly delightful. A season of grand opera, even though a short one, is an innovation greatly appreciated by lovers of good music in St. John. On Thursday, the Governor and Mrs.

This Skin Peeler All the Rage in Society
(From Society World.)
There is a growing tendency among women of culture and fashion to pay more attention to hygienic means of preserving their charms. The advent of mercuriolated wax douches has been largely responsible for this. This remarkable substance produces complexions so natural in appearance, so magnetically beautiful, artificial complexions are no longer desired. Instead of "douching" an offensive skin, the skin is peeled off. The wax peels the skin so gradually, in such fine particles, no discomfort is experienced. The fresher, younger skin beneath, wholly in evidence within a week or two, is lily white, satiny soft and smooth. It is not a patched-over complexion, but a brand new one. That's why mercuriolated wax has become such a rage among society folk. The wax is put on nights like cold cream and washed off mornings. All druggists have one ounce will do.
Another hygienic treatment now much in favor is one to remove wrinkles, made by dissolving 1 oz. powdered saxolite in 2 pint witch hazel. Used as a wash it "acts like magic."

ONE OF THE STRANGEST CRIMES ON RECORD

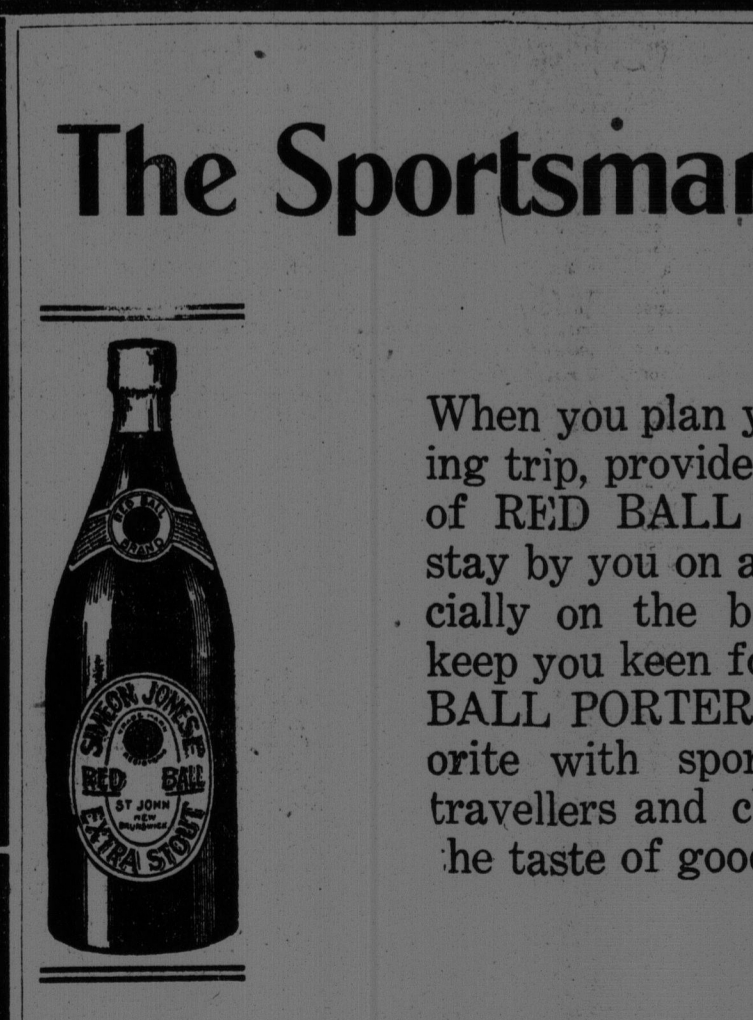

Rev. Hans B. Schmidt, a priest in St. Joseph's church, New York, killed his daughter, Miss Ann Ammueller, and then cut her body into sections, which he later dropped into New York harbor, making six trips in all. A piece of the girl's lingerie was the first clue which led to Schmidt's arrest and full confession. He conducted service in the church the Sunday following the crime.

city rooms and it is unnecessary to add that she will have a large audience.

HER LITTLE GIRL WAS SO BAD WITH DIARRHŒA SHE PASSED NOTHING BUT A THICKISH BLOOD.
DR. FOWLER'S EXTRACT OF WILD STRAWBERRY
Cured Her in Four or Five Days.
Mrs. WILLIAMS' EXTRACT, London, Ont., writes: "My little girl had diarrhoea so bad that nothing would stop it, in fact she got so bad she passed nothing but a thickish blood. I even stopped rasberry leaves, but all to no purpose, until a neighbor told me to try Dr. Fowler's Extract of Wild Strawberry, which I did, and with such good results that after four or five days she was quite normal again. I would not like to be without it. I used it when we were in Saskatchewan too, for we could not get without it out there."
Dr. Fowler's Extract of Wild Strawberry has a world wide reputation for the cure of all Summer and Bowel Complaints. It has been on the market for over 65 years, so you do not experiment with new and untried remedies when you purchase it. Insist on getting "Dr. Fowler's." It is manufactured by The T. Millburn Co., Limited Toronto, Ont. Price, 35c.

ANNOYING DANDRUFF

Will Make Canada a Bald-headed Nation if Not Checked

M. Pasteur, the great French Physician of Paris, once said: "I believe we shall one day rid the world of all diseases caused by germs." It was not for the little destructive germs working with a persistency worthy of a better cause, there would be no baldness. Parisian Sage will kill the dandruff germs and remove dandruff in two weeks or money back. It will stop itching scalp, falling hair and make the hair grow thick and abundant. It puts life and lustre into the hair and prevents it from turning gray. It is the hair dressing par excellence, daintily perfumed and free from grease and stickiness. It is the favorite with women of taste and culture who know the social value of fascinating hair. 12 Tumors Removed Without An Operation
Dear Mrs. Currah—I am enjoying better health than I have for eight years, and I am entirely cured of all the old symptoms. I have very grateful for my present health and think Orange Lily is the greatest treatment for women's ailments. I have used it in my case caused 12 tumors or growths of some sort to be expelled. Some were as large as a hen's egg, and others smaller, down to the size of a walnut. You may use my case in your advertisement, for it is the solid truth, and has been done for me. Mrs. Louise E. CHARLOTTE STREET CORNER UNION

DEATH RESULTED DESPITE DESPERATE EFFORTS TO REVIVE HIM

Charles McCarthy, of Broad street, died at the General Hospital yesterday afternoon at 4.30, after having been rescued from drowning in Lower Cove slip by Mark Burns, of Winslow street, West End.

McCarthy fell off the end of Kerr's wharf shortly before 3 o'clock and Mark Burns, who was unloading sand in Lower Cove slip, heard the cry of "man overboard" and at once ran to the place where the crowd had gathered. Seeing the drowning man, Burns threw off his hat and coat and leaped from a board pile to the water, a distance of twenty feet. After a short swim, Burns reached McCarthy just as the latter was going under, and the rescuer had to dive to clutch him.
