

BUDGET OF RED CROSS GOES TO MARCH MEETING

Sum of \$6,100 Tentative for Hospital Supplies and Administration

R. G. McINERNEY IS NEW TREASURER

Miss Jarvis Unable to Carry on Relief Work Because of Provincial Duties.

A budget of \$6,100 was tentatively adopted for hospital supplies and provincial administration for the ensuing year by the New Brunswick Red Cross Society yesterday but because of the small attendance at the meeting, it was decided to refer the budget to the March meeting when further consideration will also be given the sending of a request to the Central Council for grants of \$5,400 for Junior Red Cross and \$2,500 for home nursing classes.

R. T. Hayes, M. L. A., president, was in the chair. The meeting elected as treasurer, Ralph G. McInerney, who succeeds C. B. Allan, whose resignation was respectfully received. A vote of thanks was extended to Mrs. W. H. Shaw for the use of her house for the tea at the annual meeting.

Letters of thanks for assistance and a letter from the St. Stephen branch saying it would carry on through the ensuing year its public health nursing work with Miss Murray as nurse were read.

Home Nursing Classes. The Junior Red Cross report told of more than 2,000 valentines made by the Juniors having been sent to

New Treasurer

RALPH G. McINERNEY Who yesterday was elected treasurer of the Provincial Red Cross in succession to C. B. Allan, resigned.

hospitals and orphanages in the province. Miss S. Barrington, organizer, reported 19 home nursing classes had been formed of which seven were in St. John.

Miss Ethel Hazen Jarvis, secretary, had notified the St. John Red Cross that because of provincial work she could no longer administer its relief work. During the month there had been 133 relief cases to deal with. For emergency supplies the I. O. D. members in St. John had undertaken to do special work.

Work at Port.

The port report showed six ships arrived, 195 children, 23 infants and 145 women cared for in the nursery where 11 treatments were given. Sixty follow-up cards were sent out. Three families were given boxes of food.

The treasurer's statement showed receipts \$118 and expenditures \$1,359.66, including administration, \$198.49; Junior Red Cross, \$339.58; home nursing, \$76.55; campaign, \$30; hospital committee, \$500, and sewing committee, \$133.30.

ATTENDANCE IS CUT BY SICKNESS

THE CITY teachers have much to combat in their strenuous work of imparting knowledge, and sickness this year is proving one of the greatest hindrances. The mumps epidemic depleted classrooms earlier in the season and now the epidemic of grippe is having almost as devastating an effect. From one class which normally has 45 there were 19 missing yesterday and in another class of about the same size there were 13 absentees. The very changeable weather is being blamed for the present inroads of grippe. Fortunately the present epidemic is not appearing in virulent form and except in rare cases is quite mild.

Scarlet Fever Closes Charlottetown College

CHARLOTTETOWN, Feb. 13.—Students of Prince of Wales College will take an unexpected vacation of three weeks owing to an epidemic of scarlet fever which has interrupted classes. The college will close down for three weeks starting next Monday and the time will be made up at Easter and at the end of the year.

DODD'S KIDNEY PILLS
WALKER'S PHARMACY, J. B. MALONEY.
The first cool touch instantly stops the fiery pain and itching. It washes out in a remarkably short time the worst forms of skin disease. Hard crusts and scales, weeping sores, poison, urticaria, eruptions, pimples and skin blemishes—yield to a single bottle. The first \$1.00 bottle relieves you or your money back. Try D.D.D. now, and you will be cured. Trial bottle will be sent for the money back. Write D.D.D. to Walker's Pharmacy, J. B. Maloney, 4087 The Promenade, St. John, N.B.

NERVES AND FAINTING SPELLS

Sent Woman to Bed. Great Change After Taking Lydia E. Pinkham's Vegetable Compound

Sarnia, Ontario.—"After my girl was born I was a wreck. My nerves were too terrible for words and I simply could not stand or walk without pains. I suffered with fainting spells until I was no longer any good for my household duties and had to take to my bed. The doctor said I should have an operation, but I was not in a fit condition at that time. My neighbor said, 'Why don't you try Lydia E. Pinkham's Vegetable Compound?' I am sure it will do you good and will save those doctor's bills. So I was advised by my husband to try it after I told him about it. I am very thankful to say that I was soon able to take a few boarders for a while as rooms were scarce at that time. My baby is 17 months old now and I have not yet had an operation, thanks to your medicine. I have recommended the Vegetable Compound to a few people I know and have told them the good it has done me. I know I feel and look a different woman these last few months and I certainly would not be without a bottle of your medicine in the house. You can use this letter as you see fit, as I should be only too glad for those suffering as I have to know what it has done for me." Mrs. ROBERT G. MACGREGOR, R. R. No. 2, Sarnia, Ontario.

A recent canvass of women users of the Vegetable Compound report 98 out of 100 received beneficial results.

Better than a mustard plaster

TO TALK HYDRO WITH QUEBEC GOVERNMENT

Veniot Will Leave on Monday to Take Up Storage Right Matter

TO SEE THORNTON ON VALLEY RAILWAY

Will Also Head Delegation Seeking Federal Aid for Roads.

FREDERICTON, N.B., Feb. 13.—Premier Veniot is to leave a week from Monday for Quebec, where he will meet the Quebec Government regarding the bill before the Legislature of that province providing for the necessary rights for the New Brunswick Electric Power Commission to secure storage facilities in Quebec territory in connection with the Grand Falls project.

From Quebec the Premier will go to Montreal to confer with Sir Henry Thornton, respecting the St. John Valley Railway matters. Later Premier Veniot will visit Ottawa to head an inter-provincial delegation who will ask for a renewal of Federal aid towards the construction of highways.

SCHOONER NETTIE C. IS PICKED UP

Vessel Owned Here Had Been Abandoned After Storm Buffeting.

The tern schooner Nettie C., owned by John Spence, of St. John, and abandoned by Captain Z.H. Richards, was located yesterday morning at the Mulr Ledges, Grand Manan and was later towed to Wood Island by the Life-Saving Station crew of that place, and is now safe at anchor. Captain N. A. Wilkie will proceed to Wood Island this morning to look after the wreck in the interest of the owner.

The Nettie C. is a schooner built at Sault Ste. Marie, N. S., in 1919, is 150 feet in length, 33.5 feet beam, 13.1 draft and 449 tons register.

Was Dismasted.

She sailed from City Island, N. Y., on Saturday, January 24, with a cargo of 147 tons of coal consigned to R. P. and W. F. Starr, Ltd. Two days out the weather became dirty and all went well until Friday morning, January 30. Then when about 15 miles off Mount Desert, the force of the seas caused the spring stay band to snap and the mainmast as broken off clean at the base. In its fall it crashed against and smashed the mizenmast, both masts fallen across the cabin and smashing to atoms the life boat. The vessel capsized. The crew cleared the deck of the wreckage and were then obliged to use the hand pump to keep the vessel from filling with water, the engine pump had broken down and was useless.

On Wednesday morning the three-masted schooner Fieldwood, Captain Forsythe, en route from Philadelphia to Halifax with cargo, nitrates, hove in sight and bore down on the disabled craft. There was a high sea running but a lifeboat from the Fieldwood was successful in taking Captain Richards and his crew of six men, and landed them at Halifax last Sunday evening.

ENJOY SMOKER

Members of Civic Employees Union Have Pleasant Evening—Addresses Delivered.

The Civic Employees' Union, No. 16576, held an enjoyable smoker in the Moxie Hall, Colburn street, last night with the president, A. Kirkpatrick, in the chair. Mr. Kirkpatrick delivered an address of welcome and short addresses were given by P. A. Campbell, Charles H. Stevens, Robert Carlin, Thomas Killen, George R. Melvin, John McKinnon and Edward McGinnis, members of the Trades and Labor Council. Songs were sung by Charles Alcorn, A. C. Davidson, Robert Carson, Edward McGinnis, George R. Melvin and Joseph Kiernan. Edwin E. Marshall gave a short address and Charles Stevens recited the toast that had been given in 1903 by A. W. Putte who was the first Labor member of the Federal Government.

Refreshments were served by an efficient committee and a very pleasant gathering was brought to a close with the singing of the National Anthem.

Inflamed Eyes Clear In Five Minutes

A new scientific method of strengthening inflamed eyes begins in a few minutes, making them clear and bright. Look closely at your eyes and lids. Are they clear and fine like the eyes of a child? Do your eyes open readily in the morning and feel smooth, or stick together? Do your eyes ache? If your eyes show the effects of strain or overwork: If the lids show tiny wrinkles you need this new treatment to make your eyes strong and beautiful and rid your face of the tiny wrinkles before they grow into crow's feet. Just ask your druggist for Bon-Opto home treatment outfit. Use it as directed and watch the result. Inflammation gone like magic. Your eyes grow strong and your sight clear. Relief from strain and squinting stops the formation of the little wrinkles born to grow into crow's feet. It is known to druggists and doctors as a cleansing, soothing, strengthening lotion and is recommended and sold by all good druggists.

WALKED THE FLOOR FOR HOURS NERVES WERE SO BAD

Wherever there are people who are troubled with deranged nerves they will find in Milburn's Heart and Nerve Pills a remedy that will restore the equilibrium of these deranged centres and bring back the shattered nervous system to a perfect condition.

Mrs. W. W. Aulthouse, Woodroofs, Ont., writes: "After having a severe attack of bronchitis I was left in a very weak, run-down condition; my nerves were all broken up; could not sleep at night, and would have to get out of bed and walk the floor for hours."

"After using a box of

MILBURN'S

HEART AND NERVE PILLS

I began to feel much better, and after taking a few more boxes I could enjoy my rest as well as I ever did. I always recommend them to all my friends."

For sale at all druggists and dealers; put up only by The T. Milburn Co., Limited, Toronto, Ont.

REQUEST THE KING TO GIVE NO TITLES

Labor Members Bill Evoke Cheers and Laughter in African House.

CAPETOWN, S. A., Feb. 13.—Arthur Barlow, the Labor member for Bloemfontein, today introduced a motion in Parliament praying that the King refrain in future from bestowing titles upon subjects residing in the Union and mandating territory. The suggestion was greeted with cheers and laughter. Premier Hertzog is opposed to the granting of titles and definitely declined last year to include any South Africans for consideration in the New Year's honors list.

More Treasures Are Added To Local Museum Collection

Documents, Books and Other Items of Interest Are Presented.

Having but one thing in common, their interest for folks in general, the many gifts received at the Natural History Museum in the last few days represent a great contrast in periods of time and are products of widely separated countries. They include old documents, old books, modern postcards, a Roman needle and the shell of a painted turtle.

The post cards form a series of about 100, showing pictures of the uniforms of the British army and giving the sketches of the history and traditions of each regiment, its badge and its battle honors. William Hawker has presented the postcards to the Natural History Society and they were given to him by W. H. Fairall, who formerly resided in St. John and is now living in East Orange, N. J. Mr. Fairall knew that Mr. Hawker, being an old soldier, would be very pleased to have the series of postcards and Mr. Hawker has wished to have others share in his pleasure.

Roman Needle.

John Sears has presented the Roman needle which has very little in its appearance to suggest a needle of the present time. The Roman needle was found at Huy, near Liege, when one of the ancient gates of the Roman occupation was being demolished. There were also found in the ruins pieces of pottery and bronze. The needle is about seven inches long and the eye for the thread is two inches from the very sharp tip. The needle is of brass and the five inches of it opposite the sharp point have been nicely decorated to form a handle. The old method of sewing was to work the needle in and out much as the modern machine needle is worked today and the handle was held firmly and never passed through the material.

Invitation Card.

Mr. Sears has also presented as a loan the invitation card received by Lillian W. C. Sears to attend a ball at the Masonic Hall in St. John on Nov. 8, 1827. The ball was given by the officers of the First Battalion of the St. John County Militia. With the invitation card Mr. Sears has also loaned to the society a receipt discharging Thatcher Sears' indebtedness to William Jenkins of St. John. The receipt is dated Feb. 19, 1793. William Kirkpatrick, of Rothesay, has presented to the society a copy of the Bible printed in London in 1893 which will be a valuable addition to the museum collection of Bibles and has also given a copy of the works of Rev. James Hervey, A. M., which was published in London in 1825.

A Turtle Shell.

The shell of the painted turtle was presented to the society by George Smith, of 19 Lombard street. It shows admirably the bright coloring which was responsible for the name of "painted" being given these turtles that certainly were not guilty of applying cosmetics to their shells. On the back of the shell each plate has an edging of pale yellow, while there is a fancy frill of red and black along the entire edge of the shell both on the top side and the under side. The under side of the shell has a beautiful arrangement of the colors and is rather more vivid in hue than the upper side. The painted turtles are found along eastern North America as far north as this province and they spend their life submerged. They cannot feed unless they are under water. Often they are kept as pets but they are not desirable in aquariums as they prey on little fish.

Home-made, but Has No Equal for Coughs

Makes a family supply of really dependable cough medicine. Easily prepared, and saves about \$2.

If you have a severe cough or chest cold accompanied with soreness, throat tickle, hoarseness, or difficulty breathing, or if your child wakes up during the night with cough and you want quick help try this reliable old home-made cough remedy. Any druggist can supply you with 2½ ounces of Pinex. Pour this into a 16-oz. bottle and fill the bottle with plain granulated sugar syrup. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup, if desired. This recipe makes 16 ounces of really remarkable cough remedy. It tastes good, and in spite of its low cost, it can be depended upon to give quick and lasting relief.

You can feel this take hold of a cough in a way that means business. It loosens and raises the phlegm, stops throat tickle and soothes and heals the irritated membranes that line the throat and larynx and with such promptness, ease and certainty it is really astonishing. Pinex is a special and highly concentrated compound of genuine Norway pine extract, and is probably the best known means of overcoming severe coughs, throat and chest colds. There are many worthless imitations of this mixture. To avoid disappointment, ask for "Pinex" and get the genuine. It is guaranteed to give absolute satisfaction or money refunded. Write The Pinex Co., Toronto, Ont.

Rev. E. R. MacWilliam, Tel. No. 5314.

NEWS OF THE CHURCHES
