

## TO THE CANADA YEARLY MEETING OF FRIENDS.

TOKYO, JAPAN, 5th Mo., 1900.

*Dear Friends*,—We, representing the Annual Meeting of the Society of Friends in Japan, send our greetings to the Friends of Canada Yearly Meeting.

We are thankful to say that through the Lord's help and guidance, our 5th Annual Meeting has been held, and has, we believe, been a profitable occasion, and we wish to express our obligation to you for all your help and kindness, both by outward assistance and by your prayers and through the workers whom you have sent to labour amongst us. This 5th Annual Meeting was held at Mito instead of Tokyo, and both believers and seekers after truth and others have met together in the presence of the Lord.

The Meetings lasted for three days, and many hearts were made one in the Lord and were filled with joy through the consciousness of His blessing on us, and the Meetings closed with prayers and singing in thanksgiving to the Lord.

Our Society of Friends in Japan has only very few members, and, owing to outward circumstances, they are very much scattered and have not much influence on the public mind, but we are glad to endeavour to perform the duty given to us by God. We have received an interesting letter from the Annual Meeting of Chung Kung in China. With a message of love to you all, and praying that God's blessing may rest on you, we remain, on behalf of the Japanese Friends' Annual Meeting.
