Men Protest

Quite a stir was created at Coley's Point on Wednesday when it became known that a resident of the place was taking the names of all the men residing in that locality. The men understood that a move toward Conscription was being made, or that it was being done for the purpose of refusing employment to any who were fit and able to go to the front but who would not. The result was that the party taking the names was forced to quit. [The facts appear to be that the Nova Scotia Co. of Bell Island desires to obtain a complete record of the names and occupation of all the men of Conception Bay in order to be in a position, when in need of men for special or other work, to locate any who are best suited for any particular line of work.

We are not in a position to verify this, but we give this information to our readers as we have obtained it. We understand that certain men are taking the names in other localities, and some of them are meeting with opposition.

FOR HEADACHES, BILIOUSNESS CONSTIPATION, INDIGESTION

Nearly all our minor ailments, and many of the serious ones, too, are traceable to some disorder of the stomach, liver, and bowels. If you wish to avoid the miseries of indigestion, acidity, heartburn, flatulence, headaches, constipation, and a host of other distressing ailments, you must see to it that your stomach, liver and bowels are equal to the work they have to do. It is a simple matter to take 30 drops of Mother Seigel's Syrup daily, after meals, yet thousands of former sufferers have banished indigestion, biliousness, constipation, and all their distressing consequences in just this simple way. Profit by their experience. As a digestive tonic and stomachic remedy, Mother Seigel's Syrup is unsurpassed.

Two members of the Legislature passed away during the week, viz: Mr. M. E. Kennedy, M. H. A. for St. John's West, and Mr. John Dwyer, M. H. A. for St. John's East. Mr. Kennedy died suddenly on Sunday morning. He had been to Mass, and was returning home from the Knights of Columbus rooms when he dropped dead on the street. Mr. Dwyer was an elderly man, and sometime ago was stricken with paralysis, from which he never fully recovered.

Meets With Accident, and Dies

The almost sudden death of Mr. John Mosdell of Bay Roberts East, occurred on Sunday evening last. Deceased went in the country on Wednesday, Jan. 17th, with his horse and cart for a load of boughs. After he had the load cut and on the cart he found he had left his axe behind. While returning for it he stumbled and fell forward, his body striking heavily against the stump of a tree.

After a while he managed to get back to the road, and getting on the boughs drove home. The day was very cold, and he was suffering intense pain, and what he suffered from cold and pain must have hastened his end.

The funeral took place on Wednesday afternoon to the new Methodist Cemetery. Rev. Mr. Bennett conducted the funeral service.
