One evening, as I lay reading by the light of the little camp in my tent, I to guide me to the spot, heard footsteps outside, the tent flap "I waited impatiently it prised to see my strange neighbor open the door. I invited him to enter. but he hesitated and then said: thought I would ask you to come to the cabin, I would like to talk to you." Wondering at this change of demeanbeen lying, we crossed together to his cabin. A good fire burned in the large smokebrowned interior. I noticed that while utensils and furnishings were scanty and few, clothing old and patched, everything was scrupulously clean, and that the man's languag was evidently that of one possessed of a good education. A few mining tool stood in a corner, a rifle hung from the beams, fishing tackle lay on a shelf, where also were piled a few well worn books, I seated myself upon a stool which my host placed for me, he then seating himself on an empty box.

"I see you are just 'round camping for fun," he began. "I thought at first you had heard something," he looked at me sharply, suspiciously. I assured him I was merely a loafing camper, out "for fun," as he had expressed it, and asked him what he meant by saying I had "heard something."

"I thought at first you might be after gold—the rich lead," he continued. Upon my telling him that I would not know gold ore from tin he looked much

"Yes," he said, "I have watched you, and you never seemed to be looking for mineral. Look here," he drew a little buckskin bag from his breast and opened it, taking from it an object my doing, that I had persuaded her to carefully rolled in newspaper, he removed its coverings, and placed in my hers, and that mine should be the hand a piece of rock. It was slate, which parted in my paim at a cleav- are only a foolish white man, and do age. The interior was rusty, and over the brown surfaces was a glorious filagree of gold, pure, virgin gold! in taught her from childhood. Well she sprays and cords of exquisite beauty. I gasped; for tyro though I was, I could not fail to realize that a lead of rock like the specimen shown me would be of inconceivable value. "Why." I exclaimed, "that is surely very rich; why don't you develop the mine, and struggled and fought as I saw the go back to civilization a rich man?" the one who finds that will be worth

#### PEDDLERS FIGHT A RESTRICTION

VANCOUVER CHINESE **WOULD SELL BEFORE TEN** 

City Seal Placed in Mayor Appeal to Full Court to Declare a By-Law Ultra Vires.

(From Saturday's Daily.) Vancouver has a by-law which forbids peddlers crying their wares through the streets before ten o'clock in the with a load of vegetables and proceed-They gathered at the city hall and reached the court house promptly, and the judge was equally prompt.

with a load of vegetables and proceeded to sell them to Vancouver house wives. A policeman nabbed him and the load of vegetables and proceeded to sell them to vancouver house wives. wives. A policeman nabbed him and

rison. For the appellant J. W. DeB.

"I, Lewis Hall, mayor-elect for the city Mr. Farris maintained that the byrelied to a great extent on the Privy the by-law in which case forbade street peddling on several of the leading business streets. The city police magis Mr. Justice Irving suggested humorously that the people of Vancouver objected to being aroused before ten a. m. by the cries or bells of peddlers. Mr. Farris replied that if such was

from the returning officer's certificate he handed out the certificates, placed the city seal in Mayor Hall's hands, and conwas reported as having spent a good of the transfer and being on the company being from the company from the certain hour, however proper a provision against the nuisance of a noise might be. Mr. Farris contended that the Vancouver by-law was an inconvenience both to seller and customer in that it

prevented the vegetable peddlers fro bringing their produce round fresh and crisp early in the day, when housewives wanted it, compelling them instead to peddle it about in a wetted condition at an hour when, in outlying sections, it would be too late for dinner use. This he thought clearly prought the by-law within the disapproval expressed by the Privy Council. Further argument was left over until the court reassembles on Tuesday. Interest in this case is so great in Van-

ANNUAL BURNS CONCERT.

Will Be Held in First Presbyterian Church Lecture Room on January 25th. The twenty-first annual Burns con-

cert, under the auspices of the First Presbyterian church choir, will be held in the lecture hall of the church, Blanchard street, on Monday evening, the 25th inst. It will be under the direction of J. G. Brown, the veteran choir leader, who inaugurated the concerts, ots spoiled. Aldermen: M. V. Ailan, These concerts have not lost any of promises to excel any previously given in the matter of variety and excellence toria audience. Another feature of the oncert is the singing of the Scottish part songs by the well-trained and splendidly balanced choir. It will be sufficient to say that the cream of Victoria's soloists, etc., have been secured for this Scottish event and the sons and daughters of auld Scotland should see that the evening of the 25th inst, is kept free and should purchase their tickets early in order to save disappointment.

FLYING MAN IN TRAIN WRECK.

Pau, France, Jan. 16.—Orville Wright, the American aeroplanist, his sister, and Mrs. Hart Oberg, wife of the European business manager of the Wright Brothers, were in a railroad wreck near Habas in the Landes, to-day. None of them sustained injury, but ten of the passengers on their train were hurt, four of them seriously,
