THE PREMIER MACKENZIE. -On Tuesday the new barque Premier Mackenzie recently launched from the shipyard of Mr. Chas. Watt, Newcastle, passed down the River for sea having cleared on the 27th at Newcastle, for London, with a cargo of 2,166 barrels, hemlock extract manufactured by Messrs. J. & J. Miller & Co. of Derby.

SERIOUS FIRE.—Just as we go to press we learn that Graham's saw and grist mill at Pay da Vin was destroyed by fire on Tuesday night. The saw mill was being worked day and night and the fire is said to have been caused by a lamp in the filing room. The grist mill was almost new and the saw mill was doing excellent work. There was no insurance probable that the mill can be rebuilt in time for the present season's operations.

officers consisting of Lieut Colonels Maunembled at the District Deputy Adjutant General's office, on Thursday, and in ac-cordance with General Order, dated 16th of May, 1878, selected the corps to perform the annual drill for 1878-79. Among the corps selected are Bt. Major Call's Field Battery, Newcastle, and No. 7 Battery, Garrison Artillery, Bt. Lieut. Col. Gillespie. Chatham.

Collision. -On Friday afternoon the Tug Sultan in going to the end of Muirheads' wharf, accidently collided with a her against the wharf stove a hole in her ard side. The boat was inspected by the Harbor Master and the owners of the tug paid the damages.

A MASSIVE AND HANDSOME GOLD CROSS with neck chain-the whole said to weigh seventy two pennyweights—was among and the meeting was opened with prayer jewelry establishment of Mr. Isaac Harris early this week. The Cross was, we believe, intended for His Lordship Bishop Rogers, to replace that destroyed when the Cathedral, Episcopal Residence, College etc., were burned last winter.

Mr. Ullock will also have a new single phæton in a few days His enterprise secures the success which, he appears to meet with in his business.

REV. MR. WILSON, -The Rev. Mr. Wilson who has resigned his charge of St. Andrew's Church, Chatham, preached in St. Stephen's Church in this City, last evening, to a large congregation. His sermon was a masterly effort, and was delivered with his usual eloquence and effectiveness, his treatment differing from the usual or thodox train of thought, and was listened to with great attention. Mr. Wilson's reom the Province is generally re gretted. It will be a loss to the Church generally, and to his own congregation in particular, where he has labored with great success and much acceptation for the ast ten years : but wherever his lot in the future may be cast, he carries with him the best and kindest wishes of a large circle of friends for his continued success.-Globe of Monday last.

NEW ENGINES. - The pair of engine built for Mr. J. C. Miller's new tow boat at the Miramichi Foundry, were completed last week. The cylinders are placed in line and inclined at a considerable angle those interested and to refute an incorrect and are 61 inches diameter, with 9 inch stroke. On the crank shaft is a small fly wheel and also a gear wheel to connect following statement of the subscriptions with that on the paddle shaft of the boat. The engines are nicely designed and finished, fitted with link motion and reversing gear, and are capable of making 100 revolutions per minute, being 14-horse power, nominal. The boiler is of the locomotive type, 3 feet in diameter and 8 feet long, nished with 91 11 inch tubes, the total heating surface being 140 square feet. The enterprise of Mr. Fraser has placed the Miramichi Foundry and Machine Works amongst the best in the Province and it is gratifying to know that the North Shore has so effective an establishment.

## Correspondence.

[We invite correspondence on all local subjects and will be glad to publish anything that will advance the interests of our readers, individually, or in the communities in which they live. Local News Items, Notices of Improvements—either noral or physical—Reports of Meetings, Agricultural, Lumbering, Fishing, Mechanical and other Industrial notes are especially welcome. We do not expect that all who desire to assist us in the above way are good writers; but that should not deter them from sending along their favors. We want the news and will see that it goes into the paper in proper shape.]
