NEW BAND STAND ON KING SQUARE OPENED SATURDAY

The new band stand, on King Square, was opened Saturday afternoon by the City Cornet Band, which gave an excellent concert.

Mayor Bullock made an opening speech in which he said he hoped the people would appreciate the efforts put forth by the band and he said that more services were needed in the square. After some words of praise for the band and requesting the people to keep off the grass, his Worship called for three cheers for the band, and they were heartily given.

James Connolly, president of the band, gave a lengthy address in which he thanked the citizens for their generosity toward the band, and said that in the 33 years of the band's existence it had never owed a dollar.

Three cheers were given for the Mayor and the band then played thousands with a choice programme.

EARTHQUAKE STIRS CARLETON COUNTY

Two Distinct Shocks at Woodstock

ONE HOUSE MOVED

Robbers Break Into House and Carry Off Silver Plate

WOODSTOCK, N. B., Aug. 9.—Slight seismic disturbances were felt at several points in this county early Saturday morning. Here in Woodstock two distinct shocks are reported, the first a mere tremor about 3 a. m., the second more pronounced at about 6.30.

Each of the shocks was much more than a mere tremor, but of course no damage is reported. Of one thing all are agreed, it was a genuine earthquake shock. Reports from Hartland, Bristol, Grand Falls and other upriver points are much to the same effect, the shocks being more or less distinctly felt by many persons. One reliable resident of this town says his house seemed to rise about a foot and as suddenly subside.

Clayton, the nineteen-year-old daughter of Mr. and Mrs. Frank Foster, died this morning after an illness of a few weeks from hemorrhage of the stomach. Her father, who had recently been operated on for appendicitis at the hospital, reached home but a few hours before his daughter's death.

BIROGLARS ACTIVE. Last night burglars broke into the house of Rev. R. A. MacDonald, near Debec, and carried off silverware, a revolver, coat, valises and other articles. Constables at Debec arrested three men this morning who are supposed to be at least part of the gang, and this afternoon Chief of Police Kelly and Deputy Chief Foster went out to Debec and brought the trio here. They give their names as Green, Welsh and Ferguson. The preliminary hearing will be on Monday.

PLOT ON FOOT TO RUIN A CHINAMAN

Wing Hen, a Chinese laundryman who has been established for a number of years on Main street, Fairville, considers himself a man with a big grievance. He says he is the object of an organized attack by all the Chinamen of St. John with the exception of two. This formidable amalgamation has, according to Wing, made up a campaign fund for his extinction, and is planning to drive him out of business.

Each of the city men, says Wing, has contributed \$5 to the fund, which amounts to \$300, and one man who had some special grudge against him, doubled the usual subscription in making his gift.

The method of accomplishing Wing Hen's downfall is that of competition. Within a day or two a rival has started up against Wing on the opposite side of the street, and has cut prices in subterranean barber-style. At this new place, which is styled the St. John Laundry, shirts are to be laundered for 8 cents, instead of 10 cents and 4 cents. Wing says several similar attempts have been made to put him out of business by similar cuts in prices, but none of them have been successful, and the rivalry has only been temporary. He has now several hands employed in his laundry, which is one of the largest Chinese laundries in St. John, and he says he will not give in even if he has to do all the work himself.

The hatred with which his fellow Orientals regard him, is due, he says, to the action of his brother, who recently informed the police of gambling, on inside a laundry sign outside it. It was given out at the time that the Chinaman's exposing act was due to the teaching he had received in a certain city Sunday School. The sad truth is that the informer wanted to get one of his men to "come out and eat the stew meat" which he had prepared for dinner, and in order to get him, he gave the countersign, which let in himself and the police.

The postscript to the story is that the Chinaman's exposing act was due to the teaching he had received in a certain city Sunday School. The sad truth is that the informer wanted to get one of his men to "come out and eat the stew meat" which he had prepared for dinner, and in order to get him, he gave the countersign, which let in himself and the police.

PHOENIX TAKES LEONARD TROPHY

The ownership of the Leonard trophy, which was put up in competition for motor boats, was finally decided on Saturday, when the Phoenix, owned by James Flemming and Son, won the trophy.

The race took place on the coast of the Fairbanks on her way to Westfield when she met with a slight accident and reached the starting line about a half hour too late. None of the motor boats made any attempt to start.

The Phoenix got off at a lively rate of speed. The course was from Westfield wharf to a buoy at Riverbank and return, twice over. The race took the Phoenix thirty-one and a half minutes. The course is a distance of about five miles. This ends the season, except the regular Association race on the 29th.

The second event of the day was the special race for class B, sloop boats. This race had three starters, as follows: Florence M., Bernard McMillan, Louise, Joseph Bullock, Rosemond, H. McAvity. The course was from Westfield wharf and return, a distance of four miles. The start was made at 2.30 o'clock.

When the boats rounded Holy's Point the following was the order: Louise, Florence M., and Rosemond. On the home stretch the Rosemond gained considerably and finished first in 4.34. The Louise finished second, just 33 seconds behind the Rosemond. The Florence M. was dislodged on the home stretch and did not finish. The Rosemond thus comes into possession of a fine pennant, donated by the club. The breeze throughout the day was a very good one and the race was most successful. E. E. Church, W. C. Rothwell and John Kew's were the officials of the day. They were taken over the course by Harry Warwick in his motor boat.

Next Saturday a big programme of field sports will take place on the Westfield picnic grounds, under the auspices of the Outing Club. The boys from Lingley say that they will have out everything in sight. Geo. Warwick, the chairman of the sports committee, with the other members, are very busy but all indications point to a great day of races.

ST. JOHN ELEVEN WINS HANDILY

FREDERICTON, Aug. 9.—St. John easily defeated the Fredericton cricketers yesterday by a margin of ten wickets. The home team was out played in every respect and was no match for the visitors. In bowling particularly the Fredericton club was weak and showed the want of practice. The features of the game were the batting of Fairweather, who was on an and a knock of 50, and the bowling of St. John and the batting of Johnson for Fredericton.

VAGABOND TAKES SATURDAY'S RACE

Saturday's race for the Beveridge cup was won by the Vagabond, with the Possum second. The race was sailed in a heavy fog, which made the boats in many cases lose sight of one another. The time of the race was not particularly fast.

The starters were as follows: Canada, Louvina, Hermes II, Possum, Vagabond, Fel Yuen, Wabeno, and Edith. A southerly wind, fresh and rather puffing, was blowing when the start was made and the fog had not become very thick. At Sand Point the boats rounded the buoy in the following order: Canada, Louvina, Vagabond, Hermes, with the others behind. On the first reach of the course all the competitors used balloon jibs. From Sand Point to Bear's Head each yacht was close hauled, with Hermes II leading. The Possum was second. The

NEW YORK YACHTS IN EXCITING RACE

NEWPORT, R. I., Aug. 8.—Thirteen of the crack yachts of the New York Yacht Club today had an exciting fight over the historic Brenton Reef course in a good southwest wind for the Col. John Jacob Astor cups for schooners and sloops. J. Rogers Maxwell's Queen upholding her name by sweeping across the finish line in the schooner class a winner in 42.51, beating the speedy Elmina by eight minutes and 19 seconds. The sloop Avenger, owned by R. W. Emmons, 2nd, captured the cup for her class, going over the course in 54.40, defeating the Ictineia by 2 minutes and 24 seconds corrected time.

While the Avenger was a winner on time allowance the famous old America's cup defender Vigilant, now rigged as a yawl, was first over the line in the class for sloops, but was unable to save her time allowance.

QUAKER CITY TEAM DEFEATS IRISHMEN

BELFAST, Aug. 8.—The cricket team representing the Gentlemen of Philadelphia continued to pile up runs this morning when play was resumed in the match with the northern counties team, and they compiled 319 before they were dismissed. With 234 runs to make to avert a single innings' defeat, the Ulstermen commenced the second innings disastrously; three men went out for 38 runs. The batters for a time made a better stand, evidently trying for a draw, but the whole side was finally disposed of for a total of 110 runs. The Philadelphians thus winning by an innings and 114 runs.
