## THE GRANITE TOWN GREETINGS

### At D. Bassen's SPRING IS HERE Summer is Coming

We have seen trade more brisk than it has been the last year, but we are looking for an improvement this year, at least we have made ready for it, with a very complete stock of all kinds, and will expect our friends to give us a fair share of their trade.

It is not necessary to particularize at the present time, but we might say we are especially well stocked with a complete line of up-to-date Ladies and Mens furnishings, headwear, footwear and general dry goods, and can promise good values to those who favor us with their patronage.

We invite all to attend our Millinery Opening on Thursday, April 8th.
