THE GREATEST Medical Discovery, OF THE AGE.

Dr. KENNEDY, of Roxbury, has discovered in one of our *common pasture weeds* a remedy that cures

EVERY KIND OF HUMOR

on the worst scorfula down to a common pimple

He has tried it in over eleven hundred cases, and never failed except in two cases, (both thunder humor.) He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth.

One to three bottles will cure the worst kind of pimples on the face.

Two or three bottles will clear the system of nits.

Two bottles are warrnted to cure the worst canker in the mouth and stomach.

Thre to five bottles are warranted to cure the worst case of erysipelas.

One to two bottles are warranted to cure all humor in the eyes.

Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure scorfula and running ulcers.

One bottle will cure scaly eruptions on the skin.

Two or three bottles are warranted to cure the worst case of ringworm.

Two or three bottles are warranted to cure the most poperate case of rheumatism.

Three or four bottles are warranted to cure the salt rheum.

Five to eight bottles are warranted to cure the worst case of scorfula.

A benefit is always experienced from the first bottle and a perfect cure is warranted when the above quantity is taken.

Reader, I have peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in everycase. So sure as water will extinguish fire, so sure will this cure humor. I have never sold a bottle of it but that sold another; after a trial it always speaks for itself. There are two things about this herb that appear to me suerprising; first that it grows in our pastures, in some places quite plentiful, and yet its value has never been known until I discovered it in 184-; second, that it should cure all kinds of humor.

In order to give some idea of the sudden rise and great popularity of the discovery, I will state that in April, 1853, I peddled it, and sold about six bottles per day—in April, 1854, I sold over one thousand bottles per day of it.

Some of the wholesale Druggists who have been in business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise rom all quarters.

In my own practice I always kept it strictly for humors—but since its introduction as a general family medicine, great and wonderful virtues have been found in it that I never suspected.

Several cases of epileptic fits—a disease which was always considered incurable, have been cured by a few bottles. O, what a mercy if it will prove effectual in all cases of that awful malady—there are but few who have been more of it than I have.

I know of several cases of dropsy, all of them aged people cured by it. For the various diseases of the *liver, Sick Headache*, Dyspepsia, Asthma, Fever and Ague, Pain in the Side, Diseases os the Spine, and particularly in diseases of the Kidney's, &c. the discovery has done more good than any medicine ever known.

No change of Diet ever necessary. Eat the best you can get, and enough of it.

Directions for Use.—Adults one table spoonful per day—Children over ten years dessert spoonful—Children from five to eight years, tea spoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.

The Principal Office for the *State of Maine* and the *British Provinces*, is at the *Drug and Medicine Store* of H. H. Hay, 15 and 17 Market Square, Portland, (Me.) to whom all orders should be addressed.

Sold by all respectable Druggists throughout the United States and British Provinces. Price $1 00.

MRS. WINSLOW,

An experienced nurse and Female Physician, presents to the attention of mothers, her

SOOTHING SYRUP

For Children Teething,

which greatly facilitates the process of teething, by softening the gums, reducing all inflammation; will allay all pain and spasmodic action, and is

SURE TO REGULATE THE BOWELS.

Depend upon it, mothers, it will give rest t yourselves and

Relief and Health to your Infants.

We have put up and sold this article or over ten years, and can say in confidence and truth of it what we have never been able to say of any other medicine—Never has it failed in a single instance, to effect a cure when timely used. Never did we know an instance of dissatisfaction by any one who used it On the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects and medical virtues. We speak in this matter "what we do know," after ten years' experience, and pledge our reputation for the fulfilment of what we here declare. In almost every instance where the infant is suffering from pain and exhaustion relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most experienced and skilful nurses in New England, and has been used with never failing success in THOUSANDS OF CASES.

It will not only relieve the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve GRIPING IN THE BOWELS, AND WIND COLIC and overcome convulsions, which if not speedily remedied, end in death. We believe it the best and surest remedy in the world, in all cases of Dysentery and Diarrhœa in children whether arises from teething, or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—do not let your prejudices, nor the prejudices of others, stand between your suffering child and the relief that will be sure—yes, absolutely sure—to follow the use this medicine if timely used. Full directions for using will accompany each bottle. None genuine unless the fac-simile of CURTIS & PERKINS, New York is on the outside wrapper.

Ayer's Cathartic Pills,

FOR ALL THE PURPOSES OF A FAMILY PHYSIC

are so composed that disease within the range of their action can rarely withstand or evade them. Their penetrating properties search, and cleanse and invigorate every portion of the human organism, correcting its diseased action, and restoring its healthy vitalities. As a consequence of these properties, the invalid who is bowed down with pain or physical debility is astonished to find his health or energy restored by a remedy at once so simple and inviting.

Not only do they cure the every-day complaints of every body, but also many formidable and dangerous diseases. The agent below named is pleased to furnish gratis my American Almanac, containing certificates of their cures and directions for their use in the following complaints: *Costiveness, Heartburn, Headache arising from disordered Stomach, Nausea, Indigestion, Loss of Appetite, Jaundice*, and other kindred complaints, arising from a low state of the body or obstruction of its functions.

Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease.

So wide is the field of its usefulness and so numerous are the cases of its cures, that almost every section of country abounds in persons publicly known, who have been restored from alarming and even desperate diseases of the lungs by its use. When once the merits of this remedy over every other medicine of its kind is appreciated, and the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs that are so incident to our climate. While many inferior remedies throughout the community have failed and been discarded, this has gained friends by every trial, conferred benefits in the afflicted they can never forget, and produced cures too numerous and too remarkable to be forgotten.
