

STUNTED

Does your hair split at the end? Can you pull out a handful by running your fingers through it? Does it seem dry and lifeless?

Give your hair a chance. Feed it. The roots are not dead; they are weak because they are starved—that's all.

The best hair food is—

AYER'S Hair Vigor

If you don't want your hair to die use Ayer's Hair Vigor once a day. It makes the hair grow, stops falling, and cures dandruff.

It always restores color to gray or faded hair; it never fails.

\$1.00 a bottle. All druggists.

"One bottle of Ayer's Hair Vigor stopped my hair from falling out, and started it to grow again nicely."

JULIUS WITT,
March 26, 1899. Canova, S. Dak.

"Ayer's Hair Vigor completely cured me from dandruff, with which I was greatly afflicted. The growth of my hair since its use has been something wonderful."

LENA G. GREENE,
April 13, 1899. New York, N.Y.

If you do not obtain all the benefits you expected from the use of the Hair Vigor, write the Doctor about it.

Dr. J. C. AYER, Lowell, Mass.

Personal.

Rev. A. H. C. Morse, who will graduate from Rochester Theological Seminary in May, has accepted a call to the pastorate of the 1st Baptist church in Corning, N. Y., and will begin work in June. Corning is a busy city of twelve thousand people, and is celebrated for the manufacture of plate glass. Mr. Morse has a vigorous church of three hundred members.

Rev. A. J. Kempton, formerly of Carleton, St. John, writes from Mt. Carroll, Ill., that Rev. H. A. Porter, formerly of Kentville, N. S., and now of Cedar Rapids, Ia., has been assisting him in a successful series of meetings. Mr. Kempton will go to Cedar Rapids in March to render similar assistance to Mr. Porter.

Quarterly Meeting.

The Queens Co., N. S. Quarterly meeting convened at Greenfield on Feb. 13th. Considering the condition of roads for travelling, the attendance was good. Pastors Bishop, Balcom and Archibald, together with representatives from the different churches were present. Pastor Shaw was absent on account of ill health and Pastor Blackadar, being engaged in special meetings at Westfield, was not able to be present. The devotional services throughout were especially inspiring and a sense of the divine presence was evident. The evening service on Tuesday opened with an appropriate responsive exercise by the Greenfield B. V. P. U. A Bible Reading on the 23rd Psalm by Mrs. L. H. Burnaby was much appreciated. A paper by Miss Barnes on "The Relation of the B. V. P. U. to the Church" was very helpful and caused some discussion. After an address by Pastor W. L. Archibald on "The True Motive Power in Christian Service" the meeting closed.

The Wednesday morning meeting was devoted to business. Reports of a hopeful nature were received from the churches and other branches of the county work. A Question Box, conducted by Pastor J. H. Balcom, was highly interesting and profitable. The first hour of the afternoon session was occupied by the sisters of the Women's Missionary Aid Societies who received reports of their work which indi-

cated much cause for encouragement. Many helpful suggestions were offered. The remainder of the session was given to a consideration of the views set forth in Dr. A. S. Hobart's book "Gifts, Fruits and Fulness of the Spirit." Pastor Bishop presented an admirable "Review and Criticism" of the book which was followed by a full discussion. At the evening service Pastor J. H. Balcom preached an evangelistic sermon from Psalm 73:2; followed by a testimony service in which a large number participated. The people of Greenfield can not be outdone for hospitality. All agree that this Quarterly meeting was one of the most helpful in recent years. Rev. J. H. Balcom who has recently settled at North Brookfield is a great addition to the forces of Queens Co. We believe he will have good things to report from his field of labor in the near future. Offering for "Con. Fund" \$6.50.

Good Quality Tailoring

Besides being a prompt store this is a store of good quality.

Here are to be found the best goods that money can buy.

We want it to be said of us, that we give a measure of value, heaped up and running over.

There is plenty of chance for deception in tailoring stuffs but we don't take those chances.

Good goods, good tailoring and good fit, is the motto here.

We call attention to our new Black Worsted and Serges.

Consumption Is Not Hereditary.

Until 1882 consumption was considered an hereditary disease, therefore, almost incurable. In that year Dr. Koch demonstrated that it was due to infectious germs scattered about in the sputum of consumptives.

PARK'S Perfect Emulsion

is a step in advance of all others—it contains Guaiacol, the great modern specific being prescribed by physicians the world over for consumption, colds, and bronchitis; it contains the Hypophosphites of Lime and Soda, the great reconstructors of wasted and exhausted tissues, and it contains pure, first-quality Cod Liver Oil, long recognized as the one great food for consumptives. Park's Perfect Emulsion does not nauseate the most delicate stomach. Pleasant, easily digested, nutritious.
