Young was taken out of the box after the 2nd inning. Gardner's single in the 8th sent Speaker in with the winning team. Boston today sold first baseman Myers to Toronto of the Eastern League. Score: Cleveland.....02100010—11 2 Boston.....03000101—5 10 2 Batteries:—Young, Kestner and Bemis; Smith and Carrigan.

Washington, July 9.—Washington and St. Louis split even on today's double header, the visitors winning the first game 9 to 6 while the locals captured the second, 3 to 2. St. Louis used four pitchers in the first game and Washington 3. The heat was oppressive and the errors of both teams were in a measure responsible therefor. Chicago, July 9.—New York took the opening game of the series today, 7 to 3, by bunching six hits for a total of four runs in the first inning. MORE RECORDS LOWERED AT WOODSTOCK

Onward Gratten Makes New Record of 2.15 1-2 in 2.21 Class--Waterfall First in 2.20 Class--King Arion Drawn.

Woodstock, N. B., July 9.—Fast time, close finishes and clean, good horse racing marked the second day of the meeting here today. A new record was established by one winner while another winner twice stepped to his mark. The excellence of the first day's meet is held responsible for the larger number of people being present at today's races, there being several hundred more paid admissions than there were yesterday.

The racing in the 2.30 class trot was the feature of the day. Walter H., a grey gelding owned and driven by Peter Carroll, of Halifax, stepped twice to his record of 2.21 1-4 and carried off first money after four heats had been raced. He had to surrender the first heat to Erastus, a black mare owned by C. J. Hanson of Presque Isle. In the final heat Walter H. barely nosed out a winner.

The 2.21 class was also closely contested. In this class the stallion, King Arion was a disappointment as he had to withdraw on account of colic after the first heat. Onward Gratten, owned by C. J. Hanson of Presque Isle, won in straight heats and lowered his mark from 2.19 1-4 to 2.15 1-2.

Waterfall, a bay stallion that was purchased by C. W. Dugan of Woodstock, last year at the Muster Hill farm of East Braintree, Mass., was also very much in the running for the 2.20 class. For his first season he had to surrender the first heat to Erastus, a black mare owned by C. J. Hanson of Presque Isle. In the final heat Walter H. barely nosed out a winner.

The officials of today's races were: A. W. Williams of Woodstock, starter; W. B. Belyea of Woodstock, A. L. Triton of Salisbury, N. B., G. W. Geary of Fort Fairfield, Judges; J. A. Dewitt of Presque Isle, J. E. Burham of Houlton and F. L. Thompson of Woodstock, timers, and Warren P. Lindow of Woodstock, clerk.

The following is the summary of the races by classes:—2.21 Class Trot and 2.18 Trot. Onward Gratten.....1 1 1 Alice A.....2 2 2 Prince Louis.....3 3 3 Mary Cromwell.....3 5 5 Orphan.....4 4 4 King Arion.....4 4 4 Time—2:16 1-4, 2:15 1-2, 2:17 1-4.

2.30 Class Trot. Walter H.....3 1 1 Excelsa.....1 2 3 Musty Hill.....2 2 3 King Edward.....4 4 4 Time—2:23 2-4, 2:21 1-4, 2:21 1-4.

Exciting Finishes and Surprises Marked Opening Day of Running Races at Moosepath Park

Time—1.00 1/4, Fetheride, C. A. Morgan and Jack Ryan also ran.

The curtain raised on the seven days' meet of the St. John Driving Club at Moosepath, Saturday, when a distinctly high class programme of running races was witnessed. Old Moosepath took on the appearance of the time when track meets experienced their palmiest days here, and if the past is a mirror of the future as somebody has said, it is potent to all that the meet will surely prove a great success. Considering the distance from where the horses had to be shipped, the management had provided an excellent programme. The entries were large in every event, and in each race the finish was exciting.

The fields were remarkably well balanced, and not until the last 25 yards or so was it possible to even pick a winner. It was surely a bad day for the favorites, as time and again the practically unknowns romped away with the honors and purse.

A Bumper Crowd. Not for many, many years has such a monster crowd crowded its way to the track. Fully 2,500 gentlemen and ladies were present, and long before the starter's pistol set the meet in motion, not a seat could be had in the grandstand. The immense stand was run up to the very millinery booth, or a wonderful bank of flowers, with the marvelous hats and gay railments of the fair enthusiasts. The track was actually crowded with spectators of every make and description, and it might have been an auto meet judging from the number of cars that were there. The weather was ideal for the occasion. Three special trains were run out to the track, and every thing to accommodate the crowds was done.

From Outside Points. A large number of well known horsemen and turf followers from distant points throughout the province were present. Owing to the greater majority of the horses being unknown but very light betting was indulged in and the bookmakers report but small business. Although the track was open in its best condition, the time made by the winners, was considered fairly good. Several surprises were sprung when the much touted favorites were outdistanced by the practically unknowns and as a result some of the wise ones were considerably out. It was 3:30 o'clock when the opening race of four and a half furlongs was called. Seven were carded for this event, and it proved to be one of the most interesting races of the day.

Fleece, the winner of two races at Sherbrooke, was looked upon as a strong favorite, and appeared like a winner up till the five furlong mark when Yankee Lady, who has been coming wonderfully this season, took the lead and won by a few yards.

Chief Hayes Off Color. A feature of the afternoon was the poor showing made by Chief Hayes' two year olds. The Chief is one of the latest acquisitions to the circuit, and made his second start over a half mile track. The ones who struck out nine times in the first race were:—Easy Life, 117 (Irving) 6 to 1, third.

St. Stephen, July 9.—The St. Peters ball team, of St. John, came to the border town today and played against the Thistles, and though the score was 4 to 0 in favor of the visitors, the game was at all times an interesting one and was really a pitcher's battle throughout. The batteries were Harrington and McGowan, for St. Peters; Gere and Love for the Thistles. Gere struck out nine and Harrington eleven, while the St. John man allowed two to walk and Gere scored a cipher there. Gere's work made amends for the eclipse that overtook him in Calais on Thursday but had poor support in the outfield and the Thistles were decidedly weak at the bat. St. John batted well and fielded all round but their infield was slower than the Thistles'. Of the four runs one was in the first inning, one in the fourth and two in the sixth. Three were secured on Thistle errors and one was an earned run. The Thistles' men on bases several times, but never had a batter capable of bringing one home.

BONSEL WAS THE WINNING MOTOR BOAT

Gandy & Allison's Speedy Craft the Third to Finish at Frederickton, but Corrected Time Gave Her Victory.

Frederickton, July 10.—The long distance motor boat race from St. John to this city on Saturday was won by the Bonsele, owned by Chester Gandy and H. A. Allison of the St. John firm of Gandy & Allison. The distance is approximately 84 miles and the Bonsele's time was 6 hours 8 minutes and 17 seconds. She was the third boat to reach here, the time of her arrival being 4:25 p.m. The first boat to reach here was the Ferro owned by L. M. Trask, which arrived here at 3:03 p.m. The Keco-nik, owned by J. H. Barton also arrived before the winner, crossing the finish line at 3:30 p.m.

The Bicycle and Boating club of this city furnished the officials at the finish. Captain the Hon. Thomas Ashburnham and R. S. Barker acted as judges and Eldon W. Merritt was timer. The boats which took part in the race and also Commodore Thomson's flagship of the R.K.Y.C., the Corinthian, and Commodore S. P. Gero, flagship of the St. John Boat Club, the Lolita, and several smaller craft remained anchored off the B. & B. Club over Saturday night and all started on the trip down river today. It was 8:20 p.m. when the Kineto, the last of the competing boats, crossed the finish line yesterday.

Corrected Time. The corrected time of the competitors follows:—Hours Mins. Don Hamilton Again. The smallest field of the day happens in the fourth race, but what is lacking in quantity is made up in quality. With Don Hamilton coming right back after his fine race Saturday, Billie Hibbs and Jubilee Juggins, it should be a great contest. Jubilee Juggins was bred on the Seagram farm, and after being an indifferent performer for the past season or so, looks to have come into his own again. The race should be between Don Hamilton, Billie Hibbs and Jubilee Juggins. Hibbs was running a nice race when he fell Saturday and will take some beating this afternoon.

Tannie looks like a good thing in the fifth race. This one was in great form at Sherbrooke and won three races there. The contenders should be Polar Star and Otego, who, if he should be sent to the races again this afternoon, might spring a surprise, as he is partial to the mile route and a good game horse. Chief Hayes, however, must be passed up, and is much better than he has shown in his two starts on the half mile circuit. In fact, he is classy enough to beat this field today.

Another excellent bill is offered this afternoon at Moosepath Park. The day's sport will open with a race for youngsters, while the succeeding five will be completed for by the more mature horses, ranging from five furlongs up to 1 1/4 miles. Seven first class two-year-olds are carded to go in the opening number, three of whom sported colors Saturday. Maurice Reed, Tender, Goodacre and Ortega are the new ones in the race, all of whom have won recently. Goodacre, in his last start at Sherbrooke, met with a mishap that cost him the race; Maurice Reed, in his first start, had only faced the start twice and won his last out in impressive manner, and Ortega has been knocking at the door right along. Jack Ryan did not run his race Saturday and is capable of much better performance, and should dispute the long end of the purse with Goodacre and Maurice Reed. If the track should be heavy Tender could have a good showing, but he is a long shot. The race will be a hard one to pick, Goodacre looks a shade the best, with Jack Ryan and Maurice Reed the principal contenders.

Five Look Good. Of the nine entries in the second race, The Clown, Jack Blinn, Johnny Wise, Laura A. and Lillian Leigh should be considered best. Miss Cesarion is in here, but did not show much on opening day to justify betting this field this afternoon. Jack Ryan is a freely fought out two or three occasions but failed to produce the goods, but the Kentuckians are a shrewd lot and liable to slip one over any old time. The clown, Lillian Leigh and Laura A. look as though they will be fighting it out at the end, and we look for them to finish in about that order.

Tilley's Team Win Out from Clippers 7-6 in Exciting Game--Five Pitchers Were Tried Out.

St. John, 7; Clippers, 6.

Charley Tiley's artists put another one over on Saturday afternoon when a large number of elite of this cultured community saw a game that abounded in baseball of various brands. The St. Johns scored 7 runs in their second one in three. The Clippers did not have any balloon ascension inning but managed to civo the St. John followers heart failure before Tiley's artists nosed out winners.

Both teams made inroads on their staff of heavies. The high salaried Mr. Boone with the persuasive smile, essayed to fool the Tilleys in the odd ball session, and the things they did to him before Manager Tiley called him back on ice, was a shame. Then McGovern took a chance, but the St. Johnites were after him hot and the St. Johnie H. Howe was promoted to the first line. He showed class and the fans were of the opinion that if he had essayed to leave when the doings started, there would have been grief in the West End instead of the glee which came with victory.

Called on Nesbitt. For the St. Johns Mr. Bovard was the first heaver and the Clippers found him to an extent that made Manager Tiley call upon Bart Nesbitt to win the day. Bart was as steady as a job with the government and did some glit edged leaving. In the field there was little to choose between the teams. Both played good ball at times and both were guilty of some raw errors. Pete McAllister handled the indicator and while it is not good form in the most highly cultured circles to call the leather lugged myrmidon who presides over the fate of the ball players anything but the most classy name, Pete at times, umpired like a doughnut. He was as strong as an onion on the balls and strikes, but was very much underdone on one decision which cost the Tilleys at least two runs.

Shining Lights. That boy, Donnelly, who covers first sack for the Clippers again showed a good game, but in his throw to second was away off. That trio of high class artists, Ramsey, "Cope" and Ramsey, were in good and bad form alternately but altogether made a great combination. In the outfield of the Tiley team Cribbs was the goods and he also handled the spar as if he was a national leeper.

The Clippers had a tower of strength in Donnelly on first while those veterans Tommy Howe and Finnmore also showed class. Mike Long was very much up with the swatter and put up an excellent argument with the opposing pitcher, Riley and Lynch, of the St. Johns and Woods and Chase, of the Clippers were other classy performers. The score follows:

Table with 2 columns: Player Name and Score. Includes names like E. Ramsey, T. Howe, C. Cribbs, etc.

JOHNSON WILL GIVE JEFF ONE MORE CHANCE

Chicago, July 9.—Jack Johnson, the pugilist responded this afternoon to the report that his defeated rival was seeking another bout. Johnson said: "I will give Jeffries another chance to win the championship if he wants to. I'll meet him at Reno on Labor Day if that suits him."

"I don't believe Jeff was in as good condition on July 4 as he was two weeks before that, and for that reason I am willing to give him a chance," I said the champion. "I don't want any dispute about my superiority. If they want to do a fight for Labor Day at Reno I will do my part and there won't be any quarrel about the division of the purse, either."

Johnson in the course of his interview took occasion to reiterate his charge that former manager of his attempted to "fix the fight for Jeffries to win." "He offered me \$300,000 providing I would bet half of it that Jeffries would win in the 8th round. He knew he couldn't get that sum back by betting on the outcome and so wanted it fixed for a certain round. And there were a lot of people led to believe that I had been fixed. One theatre manager in Chicago, I have been told, lost many thousands of dollars. He should have known better. I don't want to be president of the United States because I couldn't hold the job." But did wish to be champion. There isn't money enough to compensate me for the loss of that."

ST. PETERS MAKE IT 4-0 AT ST. STEPHEN

St. Stephen, July 9.—The St. Peters ball team, of St. John, came to the border town today and played against the Thistles, and though the score was 4 to 0 in favor of the visitors, the game was at all times an interesting one and was really a pitcher's battle throughout.

Gere's work made amends for the eclipse that overtook him in Calais on Thursday but had poor support in the outfield and the Thistles were decidedly weak at the bat.

St. Stephen, July 9.—"Red" Geyer, pitcher of the St. Louis national league team, was sent home today by Manager Bresnahan, who announced that Geyer would not draw pay until his arm was in condition to win games. Geyer was one of the stars of the American association last year.

AUTO NOTES

Monterey, Mex., July 9.—The under the flag auto race arrived last night on the way from Quebec to Mexico. The car came directly from Laredo and had great difficulty in keeping the roads. It was lost and the occupants suffered greatly from the heat. The automobile carries supplies sufficient for 400 miles travel. Relays of gasoline have been arranged for between this city and ready hand when he gets going the \$46,000 Brighton handicap 1 1/4 miles, here today defeating a fairly good field. Greater proficiency in the handling of high powered motor cars is the aim of manufacturers throughout the country, who realize that practically few cars in the control of amateur drivers are doing their best work. The problem is capable of solution only through the development of the technical phase of racing and driving. The owners of high speed machines are looked to for the solution of this problem and there is a growing tendency among manufacturers to encourage the practice among automobile owners of caring for their own machines.

The officers of the Automobile Club Syracuse are engaged in an effort to raise the membership of the organization to 700 before the end of this year. At the last meeting of the club twenty-three applicants were elected to membership and the present membership strength of the club is 530. The club has offered prizes to the members who succeed in bringing in the greatest number of additions to the membership rolls, and the members bringing in the largest number of recruits in any month will get a copy of the current issue of the official automobile blue book.
