RIVERSIDE GOLF AND COUNTRY CLUB OPENING OCCASION OF PLEASURE

Many Guests and Friends Attended Function in the New Club House—Match and Afternoon Tea.

The Riverside Golf and Country Club was the scene of a large gathering of ladies and gentlemen yesterday afternoon when the formal opening of the club took place. The beautiful grounds, situated quite near the Kennebecasis and commanding an excellent view of one of the most admirable portions of the river, were only recently acquired by the club. The club house, formerly the residence of the late Mr. J. G. Harrison, has been completely remodelled into a fine club building possessing a wide veranda. The task of renovating was mainly undertaken and finished through the efforts of the ladies. A smaller house nearby serves as a locker room for the gentlemen. The golf course, at present, is a nine hole one, but will be extended later. The links are pronounced by many to be excellent. It is the intention of the management to improve the property, consisting of 150 acres, until it is second to none, in beauty of appearance, and the club is likely to become one of the most attractive country clubs in Eastern Canada.

E. T. C. KNOWLES, K.C. APPOINTED JUDGE OF THE PROBATE COURT

Position filled at Government meeting yesterday—Choice gives general satisfaction.

The Provincial Government, at yesterday afternoon's session, in this city, appointed Mr. Edward T. C. Knowles, K. C., Judge of the Probate Court, which position was vacated by the elevation of Judge J. R. Armstrong to the County Court Judgeship. Very general satisfaction marks the announcement of Mr. Knowles' appointment. He will be sworn in as soon as the appointment receives the signature of the Lieutenant Governor, Hon. Josiah Wood, and the new judge will probably hold his first court in this city on Monday next.

JUDGE E. T. C. KNOWLES.

LAKE GEORGE MINE MAY BE REOPENED FOR OPERATIONS

Company has offers to sell Mine or lease for term of years.

Plans for the re-opening of the mine of the Canadian Antimony Company, Limited at Lake George, Prince William, York County, were discussed at the annual meeting of the company in this city, yesterday afternoon. A proposal to lease the mine to a syndicate for a period of four years has been received, while there is also a possibility that a sale of the mine will be made to a company desirous of carrying on operations. At all events prospects are exceedingly bright for the re-establishment of this industry which affords employment to about 75 men.

Tourists Ask About War Tax.
 The Board of Trade office had an enquiry yesterday from a ticket agency in Massachusetts as to the truth of a report that American tourists would be required to pay a war tax on crossing the Canadian border. The correspondent was informed that the report was baseless and that American tourists on pleasure bent would be most welcome on Canadian soil.

Cemetery Barn Burned.
 About three o'clock yesterday afternoon fire was discovered in a barn near Supt. Clayton's house at Fernhill. The horses were not in the building at the time of the fire. Most of the contents of the barn were saved but the dwelling house had a narrow escape from destruction. A still alarm was sent in to No. 2 but when it arrived the barn was totally destroyed and the danger to the dwelling was over.

C. P. R. Officials Here.
 Mr. A. Price, assistant general manager of the Canadian Pacific Railway, arrived in St. John last evening in his private car "New Brunswick," attached to the Boston express. He was accompanied by Mr. A. C. Mackenzie, an engineer maintenance of Eastern lines. Both gentlemen are making a tour of inspection of the Atlantic Division from Megantic to St. John including the Shore Line. Immediately on arrival their car was pulled around to West St. John and they will leave this morning for St. Andrews.

Work on the New Bridge.
 With the completion of the 1370 feet of concrete sidewalk today another stage in the erection of the new bridge at the Reversing Falls will be attained. The contract for the sidewalk has been carried on expeditiously by A. R. C. Clarke and Son, who also have the contract for the concrete pavement of the new structure. The sidewalk is of modern construction, and has a granite finish. Those in charge of the erection of the bridge expect that the pavement will be completed about Tuesday next. The pavement will be of reinforced concrete with a cross-hatched wood block wearing surface. When the pavement is completed the approaches only will remain to be finished.
