CARL FOLLINGS COMMITTED FOR TRIAL YESTERDAY

Evidence Finished in Embezzlement Case and Prisoner Sent Up—One Dozen Drunks Dealt With in Police Court—Seaman Refused Duty.

The police court resumed work yesterday after the Easter vacation. The first on the docket were eight drunks, gathered in on Saturday. They were fined the usual amounts. All paid except two, who were sent below.

The second case up was a seaman, James Sherman, charged with disobeying orders. The captain, 1st engineer and 2nd engineer all gave evidence. K. J. MacRae appeared for the captain and J. A. Barry for the defendant.

The prisoner said that on last Friday he was ordered by the 2nd engineer to go into the stove hold and clean the first out. He refused, since the boiler had on 40 pounds of steam. It was too hot work. It was the custom, he stated, to allow the fires to get low before they undertook the job. Another witness stated he had to use boards in order to keep his feet from burning, as the bottom of the boiler was very hot. After a discussion the case was dismissed. His Honor having it arranged that the man go back on the ship and in future obey orders.

A. Fennel, charged with having liquor other than in his own dwelling house was fined \$50. Here the man stated that he had the liquor in his possession, but it was not his, but he was a truckman was trucking the liquor for another person and as a favor stated he was to retain the liquor for a few days before delivering. His Honor stated that he was liable according to law and struck a fine of \$50.

Another prisoner, Arthur Anderson, charged with having liquor gave evidence and explained that the liquor was in his own dwelling house, but Inspector Crawford had taken this case, but His Honor postponed it until 3 o'clock this afternoon.

Carl Follings, charged with embezzlement, was the next case up. F. W. Daniels was cross-examined by K. J. MacRae. Mr. Daniels was asked some of the questions were post-dated. Mr. Daniels said the cheques would come due when drafts would. Continuing Mr. Daniels said all cheques were not given him for his signature. Witness did not remember what he told Follings in regard to the Hamilton note, but he remembered that the firm advanced the money as a favor until the pension cheques would come round. Follings had no duties other than the office and it was up to the defendant to O.K. all the credit sales, but he failed to do it. Witness said he did not tell Follings to charge \$75.00 expense account to business account. Follings made a trip to Toronto under his own responsibility and was not on business for witness. He had never given Follings liberty to endorse cheques but gave him authority to accept cheques and advised the bank to that effect. Regarding a certain young lady in the firm's employ Follings complained about her work and he had the privilege to dismiss her. This concluded the evidence and after Follings had pleaded "not guilty" he was committed for trial.

Three men pleaded guilty of being drunk on King St. on Saturday afternoon. Two stated they proved their "joy water" from a man go back on the ship and in future obey orders. His Honor remarking they were liable to \$208 fines each.

BEAUTIFUL HAIR, THICK, WAVY, FREE FROM DANDRUFF

Draw a moist cloth through hair and double its beauty at once.

Save your hair! Dandruff disappears and hair stops coming out.

Immediate?—Yes! Certain!—that's the joy of it. Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after an application of Dandruff. Also try this—moisten a cloth with a little Dandruff and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt, or excessive oil, and in just a few moments you have doubled the beauty of your hair. A delightful surprise awaits those whose hair has been neglected or is scraggy, faded, dry, brittle or thin. Besides beautifying the hair, Dandruff dissolves every particle of dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair, but what will please you most will be after a few weeks' use, when you see new hair—fine and downy at first—yes—but really new hair—growing all over the scalp.

Dandruff is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating, stimulating and life-producing properties cause the hair to grow long, strong and beautiful. You can surely have pretty, charming lustrous hair, and lots of it, if you will spend a few cents for a bottle of Dandruff's Dandruff from any drug store or toilet counter and try it as directed.

CITY COUNCIL IN COMMITTEE

Recommend Adoption of City Assessment Commission Report—Will Send Bill to Legislature—Other Business Transacted.

At the committee meeting of the City Council held yesterday morning it was decided to recommend the adoption of the report of the City Assessment Commission and the sending of the bill to the Legislature for enactment. On the recommendation of Commissioner Wigmore it was decided to purchase a lot fronting on Spruce Lake. The application of the Canada Nail and Wire Co. for changes in terms of their lease and increase in salaries will be taken up at a special committee meeting this morning. Professor W. C. Kierstead was present at the meeting and explained some matters in connection with the Assessment Bill.

J. D. P. Lewin appeared and presented the request of the Canada Nail and Wire Co. for some changes in the present lease and agreement with city. The company asked:

1. That valuation of improvements on the basis of vouchers furnished by the company be abolished.

2. That the present restricted lease be changed to an ordinary lease so that the company may be able to issue, on assignment of the lease, bonds in the development of its business.

3. That the limit of improvements to the extent of \$30,000 be removed so that the company to be given the right to unlimited improvement to be estimated by valuers.

Mr. Lewin explained that the company wished to increase the size of the plant and also to issue bonds but they could not do so under the present restricted lease and agreement. It was decided to further consider the matter this morning and have the city solicitor present.

Commissioner Wigmore recommended that a lot on the Spruce Lake owned by Mrs. Sadie E. McLeod, be purchased for the sum of \$1,500. Adopted.

The Assessment Bill was then taken up.

A communication from the St. John Manufacturers Association was read asking that a signed statement be accepted instead of a sworn statement called for by the bill. Prof. Kierstead thought the sworn statement was the best. Mayor Hayes thought the declaration might be tried for one year.

On motion of Commissioner Fisher it was decided to have the bill amended to make provision for the quarterly payment of taxes.

On motion of Commissioner Russell the bill was approved and recommended to the council for presentation to the legislature.

Mayor Hayes said he had been asked for certain information regarding the increase of population on the West Side and Fairville since the building of the bridge in 1882. The was referred to Prof. Kierstead.

A vote of thanks to Prof. Kierstead for his valuable services in connection with the framing of the bill was unanimously adopted.

KNIFE ON CORNS CAUSES LOCKJAW

Tells how to loosen a tender corn so it lifts out without pain.

You reckless men and women who are pestered with corns and who have at least once a week invited an awful death from lockjaw or blood poison are now told by a Cincinnati authority to use a drug called freezezone, which the moment a few drops are applied to any corn, the soreness is relieved and soon the entire corn, root and all, lifts out with the fingers.

It is a sticky substance which dries the moment it is applied and is said to simply shrivel the corn without inflaming or even irritating the surrounding tissue or skin. It is claimed that a quarter of an ounce will cost very little at any of the drug stores, but is sufficient to rid one's feet of every hard or soft corn or callus.

You are further warned that cutting at a corn is a suicidal habit.

Flowelling, Clerk, W. I. Grimmer; Treasurer, N. M. Mills; Delegates to Synod, N. M. Mills and D. F. Maxwell; Alternates, V. V. Vanostee and Dr. Moore.

The report of the Treasurer showed the financial affairs of the church to be in the best condition in the history of the parish.
