Masterials, and forces which constitute convictions with the force of truth, acdee30

the theatre of his earthly struggles; nor cept it; if not, reject it; but I advise you mentalism—What this Modern De- was it quite all that was necessary to not to reject it before giving it a candid volument as, and What is to perfect and carry into execution the plan and careful examination. I may tell you

still more startiling than any I have yet attion of God in universal science. But that "Fourth Manifestation" or well, then, I call it a Fearth Great Distinct of the Diphtany or Maribstation, or

the you will be able to judge as well as I when you understand its nature.

What? so great an event hersility as the same time?

Certainly; but you would not, of course, insist upon putting a strictly interpretation upon this language, and that tipping spirits?

Be calm, and at the same time be humble. He course that it is not unusual for God to employ the foolish things of this world to confound the wise, and that when like course to visit his people He almost always comes in disguises, and sometimes even "us a thief in the night."

Besiles, the spirits of which you speak are only the rough but very useful pioneers to open a highway through which the Divine Logos, the "Sun of Eighteousness," is now breaking with a material coatings which have hithern obscured interior realities, and then hithern obscured interior realities, and with a "great ginty," or tight, which never deal matter without signly, "or right, which revenies a spiritual world within the material. The "Resurwatchful and true, prayerful and fai hith.

tion' is not the opening of the literal ding Three, the times of their oced of spirits with the earthly sphere of being, by which they are enabled to freely ty to the affect manifest themselves again to their friend in the earthly life, and often to receiv

great benefits in return: and if you do AMONG THE INSURED the every delight as being divine and which we have spoken on this subject themselves in "they are spirit, and they are life."

1015: 1015

things, but ignoring and casting doubts upon them; while spiritual matters, on Second age or Dispensating with Noah, was distracterized by the more with which science has nothing to do. tion of God in outward But through these modern man things, for which, as representative seats science which, when established and of the Divine presence, and through inspired men, were issued law, to which from which all physical science will from which all physical science will be viewed. It will then be more more listed by the law transfer of a spiritual ROBERT MARSHALL, oct23

JUST receixed—a fresh supply. All in very fine order.
deci7 at R. E. PUDDINGTON & CO'S. decil fun

Come of R—1 he Second Coming of that true and divine structure, order and government of human society which works.

Your revelactions have, upon the whole, here of a most startling character; bell might be appropriately termed "the Kingdom of Henren on Earth;" where fore you have now, according to a divine promise frequently repeated in the New things, and what is to come of it?

To you then bear an anguncement to the form of the New Testament, a Fourth Great Divine Manifesters, which recoves to be a manifest.

The second Coming of that true and divine execution the plan may sen you have time, but for the presentation in the presentation to the following metal and careful examination. I may sen you have time, but for the presentation in the presentation to the following metal and careful examination.
