

TAVISTOCK PUMP COMPANY, Wholesale and Retail.

— o —
WISDOM, STRENGTH AND BEAUTY COMBINED

IN THE

AMERICAN PORCELAIN LINED PUMPS

FOR FARM AND HOUSE USE, WATERING STOCK, &c.

MANUFACTURED BY

HENRY DIEBEL, TAVISTOCK, ONT

These Pumps are made of the best Yellow Poplar, and finished in Oil Colors and Two Coats of Varnish. They are lined with a Porcelain Iron Cylinder, and are perfectly free from rust, and leave the water Pure and Wholesome. The Sun and Rain will not affect them, and they will not Freeze in Winter. These Pumps were first introduced into the Province of Ontario in 1875, and to-day many thousands of families can testify to their merits.

Fully Guaranteed and Warranted to give Satisfaction.

Pump Manufacturers would find it to their advantage to keep our Pumps on hand, as we furnish them Wholesale at Very Liberal Rates.

HENRY DIEBEL.
