

be used for this purpose inasmuch
as we have not a proper place
in which to lodge the clergymen.

As an order in council, or some
act like that, may be necessary
to make this transfer, we most
respectfully solicit your sympathy
and aid in having the house
in question transferred to us as
a dwelling or presbytery for our
missionaries. As there is no

dissentient voice or conceivable
objection against the object of this
petition, we feel confident that
you will obtain this favor for
us, and we shall ever pray.

Yours and respected Serv. &c.
