Personal & General

The Rev. Prebendary Webb-Peploe, for 42 years Vicar of St. Paul's, Onslow Square, London, intends to resign the living at the close of the year.

The ex-Empress Eugenie, consort of the Emperor Napoleon III., whose fate was sealed at Sedan, has lived to see the downfall of Germany at a new Sedan. She is now 92 years old.

The Ven. A. G. Robinson, Archdeacon of Surrey and Canon and Treasurer of Winchester Cathedral, has been appointed Lady Margaret preacher in the University of Cambridge.

Rev. A. H. Sovereign, M.A., Rector of St. Mark's Church, Vancouver, has left for overseas work under the National Council of the Y.M.C.A. He expects to be absent six months or more.

We congratulate the "Montreal Churchman," a splendid diocesan journal, on the completion of the sixth year of its issue. It is published under the direction of the Bishop of Montreal.

His Grace Archbishop Worrell has requested Rev. H. W. Cunningham to accept the post of examining Chaplain of the diocese of Nova Scotia, owing to Canon Vernon's removal from the diocese within the course of a few months.

Dr. Yeatman-Biggs, the present Bishop of Worcester, has been offered and has accepted the newly-formed See of Coventry, which has been chiefly taken out from his present diocese. He is to be enthroned at Coventry on November 21st.

The Bishop of Ontario has received a letter from the officer commanding the transport on which Canon Fitzgerald of Kingston lately crossed as Chaplain, highly commending his zeal and devotion during the distressing epidemic of influenza which occurred en route.

Senator La Croix introduced a resolution in the French Upper House on November 7th, extending the thanks of the country to Marshal Foch and Premier Clemenceau. This is the first time that similar action has been taken since the time of Napoleon Bonaparte.

A masquerade was held by the members of St. Michael and all Angels', Wychwood, Toronto, branch of the A.Y.P.A. on November 5th, the total proceeds of which went to the fund to provide Christmas parcels for the men of the congregation who are at the front.

Capt. the Rev. E. C. Earp, who has been serving as a Chaplain overseas and who is acting Rector of Trinity Church, Montreal, has been very ill, and both he and Mrs. Earp are in the hospital in a serious condition. Mr. Earp is still attached to the Canadian forces.

While Rev. T. Beverley Smith continues in a serious condition, some hopes for his recovery have been held out by the advice of an eminent physician in New York. The last year and a half of Mr. Smith's work with the Bible Society has been of a particularly happy character, being somewhat of a relief from the arduous duties of his parish life in West Toronto.

Mr. Edward W. Robinson, manager of the T. Eaton Company's general

office, Toronto, died on Saturday last, at his late residence, Toronto. The deceased was in his 50th year and had been a resident in Toronto for 25 years. He was a member of the Anglican Church. His wife and six children mourn his loss. The funeral took place on Monday last to Mount Pleasant Cemetery.

Rev. H. Masters Moore, who has been a C.M.S. missionary at Calcutta, Krishnagar and Bhagalpur from 1880 to 1911. From 1912 he was A.C.S. Chaplain at Patna until a year ago. He and Mrs. Moore spent three months in Japan en route, and has been staying for about five months in Vancouver. He expects to remain in Toronto for some months. Mrs. Moore was a Church of England Zenana missionary at Jubbulpur and Jamalpur for about five years before her marriage.

Hon. Dr. Cody, Minister of Education, who has returned from overseas, stated that his trip to Europe included a voyage over in a convoy with United States troops during which

they sighted a submarine. He visited the Canadian troops at Cambrai and preached at Bramshott Camp from the boxing ring. Dr. Cody sees great possibilities in solving a portion of the reconstruction problem by government and being given soldiers to enable them to qualify as school teachers. In England opinion is divided over the question of full time education to the age of 16, or part time schooling and part industrial training up to 18.

The Right Rev. I. O. Stringer, D.D., is leaving this week for England and France for special work among the soldiers in connection with the Canadian Christian Citizenship Campaign inaugurated by the Young Men's Christian Association. Bishop Stringer applied in the spring of 1915 and several times since to go as a Chaplain, but for various reasons the opportunity did not come to him to serve his country in a capacity which he desired, until the present. His application for a chaplaincy was recently accepted, but it would have been necessary to remain in Canada for several months. With the approval of the Primate and the Bishop of Ottawa, he accepted the invitation to go under the auspices of the Y.M.C.A. The problems relating to the soldier are many and difficult. It was thought that no better man could be found to influence the great body of Canadian soldiers for a virile and clean Canadian citizenship than this pioneer Bishop who has himself been holding the outposts of civilization for more than a quarter of a century.

A WORD TO THE YOUNGER MEN

In one of his famous Essays John Stuart Mill, the great Economist, made the following terse statement:

"We all desire to be well off, but few possess the effective desire of accumulation."

That is the point—to have both the wish and the WILL, to save money.

A Life Insurance Policy is the surest stimulus to save, and The Great-West Life Policies provide all the advantages of profitable investment, and safe protection on most favorable terms.

A Letter of Commendation from the Archbishop of Algoma

Bishophurst, Sault Ste. Marie, Ont., 24th October, 1918.

My Dear Canon Morley, To promote an intelligent knowledge of the Christian Year; to encourage the systematic study of the Holy Scriptures; and to support sound Christian teaching in our homes as an antidote to what is questionable, not to say false—are objects which I am confident will commend themselves to all right-minded Churchmen.

I therefore warmly approve of "The Christian Year Calendar," which is published with these objects in view, and heartily commend it for use among our people, believing that it is calculated to do great good.
