FOR THE BABIES

It is not necessary to buy corn cures. Men and women should remember that Putnam's Painless Corn Extractor is the only safe, sure and painless corn remover extant. It does its work quickly and with certainty. See that the signature N. C. Polson & Co. appears on each bottle. Beware of poisonous imitations.

Most men call fretting a minor fault—a foible, not a vice. But there is no vice, except it be drunkenness, which can so utterly destroy the peace and happiness of a home. —Helen F. Jackson.

CONSUMPTION CURED.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous complaints, and having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. NORRIS, 820 Powers' Block, Rochester, N. Y.

We should be moderate in our censures. He that is now like a bruised reed, may prove like a cedar in Lebanon, and that he is now only as smoking flax may flame for God and kindle many others.

Gents.—My daughter had a severe cold and injured her spine so she could not walk, and suffered very much. I called in our family physician; he pronounced it inflammation of the spine and recommended Minard's Liniment to be used freely. Three bottles cured her. I have used your Minard's Liniment for a broken breast; it reduced the inflammation and cured me in 10 days. I would recommend it to all ladies who are suffering from the same severe trouble. Mrs. F. SILVER.

Some people have an idea that about all religion is for, is to help them to have a good time and be respectable.

The daughters of the Princess of Wales are excellent pedestrians. For a number of years they have been put through a vigorous course of physical training, and they think nothing of a ten mile walk.

The design of the work is threefold: (1) To furnish concise and ready answers to the popular objections so commonly raised against the Church and her services by those not familiar with her ways; (2) To bring out clearly and concisely some of the principles of historic Christianity which distinguish the Episcopal Church from all other religious bodies; and (3) To convey in the briefest space, information on the history, doctrines and usages of the Church which every layman, and especially every teacher ought to have.

CHURCH OF ENGLAND TEACHING.

By the Very Rev. Jas. Carmichael, D.C.L., Dean of Montreal. Paper 10c. Drysdale & Co., Montreal.

The Tract was written to meet the need of the many persons drifting into the Church from other Christian bodies, without a clear realization of the great landmarks of Her distinctive teaching. It condenses into a small and readable space what every one professing to belong to the Church of England should naturally realize and understand.

BREAKFAST.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—*Civil Service Gazette*.

THE TEACHEPS' ASSISTANT

To Explain and Illustrate the Canadian Church Sunday School Lessons, adopted by our Provincial Synod of Canada, Oct. 8th, 1890.

Price only 30 cents per annum.

Brimful of interesting matter on every Sunday's Lesson.

No Sunday-school Teacher who tries it will be without it.

The Bishop of Toronto thus writes respecting the Assistant:

"I strongly commend it to the notice of the Clergy of the Diocese, hoping that they will promote its circulation among their Teachers."

The Bishop of Algoma says:

"The Assistant" is certain to prove a valuable aid to conscientious Sunday School Teachers. Designed (as its name implies) to stimulate but not to supersede careful preliminary study of the lesson, it opens up new lines of thought, which cannot fail to give solidity to the instruction conveyed in the Sunday School that use it."

The Bishop of Niagara says:

"The Teachers' Assistant" will be valued by all who feel the need of their own minds being stimulated and informed before going to the close in the Sunday-school.
