AT THE EXHIBITION.

Toronto Globe (Sept. 11.) - "TYPE-WRITING."

This comparatively new, but delightfully legible and rapid mode of writing is well represented in the Exhibition by Mr. T. Bengough, of Toronto, having sent up three machines, which were already being operated yesterday afternoon. These machines are rapidly growing in favor, and the present is an excellent opportunity for the public to thoroughly acquaint themselves with the invention and convince themselves of its advantages over the old, laborious, often illegible system of Calligraphy. See our exhibit—head of stairway, main building. If you can't come to the Exhibition, send for catalogue and specimens.
