A GRAND TRUNK BRAKEMAN.

Tells the Story of His Exposure—The Fate that Befell Him, and How He was Relieved of His Sufferings.

W. Lavelle, G. T. R. brakeman, Allandale, Ont., says: "Through exposure I contracted that dread disease—catarrh. My case became chronic. I was recommended to try Dr. Agnew's Catarrhal Powder. In ten minutes after the first application I had relief, and in an almost incredibly short time all symptoms had disappeared. I feel I cannot speak too strongly in recommending this remedy. It is a pleasant, safe and quick cure."
