PETER MARSHALL

LYNNE WANYEKI

# A DARKER SIDE

*He was a success*

*She entered his life and forced him  
to confront what was inside*

*Together they discovered*

*In A DARKER SIDE, the world of  
clearly demarcated racist politics of  
South Africa meets with the seem-  
ingly racially harmonious world of  
small town Canada and the result is  
a tale of tension, resilience, and hero-  
ism in the face of imminent danger.*

*A DARKER SIDE, shot in its entirety  
on location in Fredericton, New  
Brunswick, is wonderfully scored by  
a soundtrack that incorporates sev-  
eral musical forms including the au-  
thentic sounds of South African  
singing.*

*Running Time: 23 minutes*
