

for sites, and with the expenditures of quite a large sum of money which we are prepared to make, these can be made valuable.

As they are now, of course, they are useless for any such purpose.

As stated to you at the time we have a Provincial Government Deed for their reversionary rights and would be very glad to have the Dominion Government ^{right} ~~write~~ so that these eyesores and places of desolation might be made accessible for the purposes of the City.

Thanking you for giving this your early attention,

I am,

Yours truly,

John A. Lee
Mayor.
