was one of gr^t tr of Eng. & New Eng. and what
is known as the Asiento was regarded as a
triumph for English statesmanship. The Asiento
was the contract for supplying the Spanish
American colonies with slaves. - In 1702
this Asiento was given to Fr but by treaty of
Utrecht 1713 it was transferred to Eng. & Eng
Govt assigned it later to South Sea Co. of which
formed one of the most valuable assets
The right was defined as that of furnishing 4,900
slaves annually & sending ^{other} 2nd ships but under
