Ottawa Women's Canadian Club

Madam,—

THE HON. W. L. MACKENZIE KING, C.M.G.,

will be the guest of honour at the next meeting of the club, which will be held in the ball room of the Chateau Laurier, on Saturday afternoon, January 8th, 1916, at three o'clock.

Mr. King, who is well known to Ottawa audiences as an easy and delightful speaker, will address the members on

**THE WORK OF THE ROCKEFELLER
FOUNDATION**

with which he has been connected for some time.

While special reference will be made to the heroic labours of this organization among the refugees in Belgium and Serbia, Mr. King will also discuss those wider activities in directions which are perhaps not so well known to the general public.

Members will be admitted to this meeting free on presentation of 1915-16 season ticket, and nonresident visitors may attend upon payment of 25 cents, when accompanied by a member.

Yours truly,
ETHEL W. THOMAS,
HONORARY SECRETARY

The Aylmer Apts.
