August 20, 1934.

Dear Mr. Williams:

Your letter of August 16th has been sent me here from Ottawa. I am practically never in Ottawa now, that is between Sessions, as I have no Department and never attend Cabinet meetings. Am having enough to contend with here that is certain.

You certainly would be well qualified to do the work that you have in mind, and I will take pains to bring your name favourably to the attention of those who will have the choice. I presume you have sent in application. I think it should be sent to Mr. Barton, head of the Marketing Board, Ottawa.

Yours very truly,

Mr. W. H. Williams,
