

THE ELIBANK INCIDENT  
PRESS AND PUBLIC COMMENT

Vancouver News Herald, October 1st.

"It is quite possible Mr. Mackenzie's ire was aroused because Lord Elibank pointed to a situation he comprehended quite as fully as did the visitor, and he was further annoyed because he had done all in his power to meet the problem .....

"Peregrinating Imperialist Elibank was far from first to draw attention to the danger. The only fact of importance is that it exists and that it should be prepared against, which the Minister of Defence knows as well as any other student of world trends."
