 this industry (fishing) they  
 should be advised to turn  
 their attention as soon as  
 the planting season is over;  
 and it is suggested that  
 their women and children  
 might be usefully employed  
 in salting, washing, and  
 spreading the fish out in  
 flakes. In the months of  
 September and October, they  
 should prepare the green  
 Cod-fish for the Quebec  
 market, where it is understood  
 the usual price for that  
 article is \$3.00 per barrel.  
 When the winter sets in, the  
 old people remaining at
