

Ottawa, October 4th, 1933.

Dear Chief:-

The Department is in receipt of a letter from Indian Agent Burk in which he applies for the arrears of Treaty 9 Annuity due John Papeenaches, No. 248, Fort Hope Band.

In referring to the Paylist it is observed that the Annuity for this boy was drawn by you, but apparently you have not yet delivered the same to him. I would like to receive from you an explanation and a statement of the amount of money in your hands which you have not forwarded to him.

Yours truly,

A. F. MacKenzie
