Ottawa, April 19, 1911.

Sir,

I beg to refer to requisition No. 110 of March 18th, last, and to say that Mrs. L. L. Smith, teacher of the Oka Village School, has written the Department stating that she is very badly in need of the readers. She acknowledges the receipt of the exercise books, copy books, drawing cards and box of pens and I would ask you to be good enough to have the rest forwarded at your earliest convenience.

Your obedient servant,

for Asst. Deputy and Secretary.
