With Cheque

Ottawa, August 4th., 1916.

Sir,-

With reference to your letter of the 1st instant, and previous correspondence in connection with cheque No. 90 for \$20.00, I beg to say that the cheque enclosed will show that it was presented at the Bank of Montreal, here in the usual way on July 25th and Department received credit for \$20.00. On July 27th the cheque was returned to Department with slip attached,

copy of which slip is herewith given:-
 Bank of Montreal
 Collection Department
 Unable to collect in Montreal.

The Department had to make the amount of cheque good to the Bank of Montreal, hence the necessity of calling upon you to reimburse the Department. It is not desirable to present this cheque again to the bank and you will therefore, without delay, remit \$20.00 to Department in cash, postal note, or if by cheque one that can be collected at par in Ottawa.

It is unpleasant for the Department to trouble you in such a matter and considerable inconvenience has been caused at Headquarters, so in future you will make such arrangements for making remittances to Department as will be certain to make the money available.

Your obedient servant,

 Asst. Deputy and Secretary.
