

December 6th. 1917.

Dear Mr. McVitty,

Mr. Abraham has very readily fallen in with your suggestion to hold the short course at the Mount Elgin Institute between December 26th. and January 5th. or thereabouts. You will hear from Mr. Abraham in the course of a few days.

Mr. Abraham proposes to have judging classes and to allow the Indian farmers on the reserve to attend them. I am sure you will be quite willing to place the necessary stock at his disposal for the use of these classes. Trusting that this course will prove of practical benefit as I am sure it will.

I am,

Yours very truly,

Deputy Superintendent General

Rev. S. R. McVitty,
Principal,
