Ottawa 26th January, 1920.

Sir,-

I beg to say that the Department received your letter of the 1st instant, with which you enclosed Mrs Johnson's report of field matron work at Kitkatla during the month of November. Your letter of the 8th instant, with the matron's report for December has also been received and both reports have been carefully read. As Kitkatla is within the confines of the Skeena Agency you should requisition by voucher for the salary payable to Mrs Johnson. Apparently the last payment made to her was for services rendered in October. You might have communicated with Mr Fougner, in this matter, with a view to ascertaining the action, if any, which he took. You may inform Mr Fougner that you have instructions from the Department to submit requisitions for Mrs Johnson's salary.

Your obedient servant.
