Sir,

Encl.

Enclosed herewith is a blue print copy of a plan showing the right of way containing 16.77 acres required by the Grand Trunk Pacific Railway in the Se-As-Punkut Indian Reserve No. 2 of the Fraser Lake Band. Please consult the Indian Council and each Indian whose improvements may be affected and endeavour to arrive with them and the agent of the railway company at valuations that will be mutually satisfactory. If you cannot arrive at satisfactory valuations please state what these valuations should be in your own opinion for the information of the Department and in order that other action may be taken. Kindly attend to this at as early a date as you conveniently can.

Your obedient servant,

Sgd J. A. McLean

Assistant Deputy and Secretary.

R. E. Loring, Esq.,

Indian Agent,
