Mr. King:

It would appear that you, General Hertzog (South Africa - National Party), and H.E. Holland, Esq., (New Zealand - Labour Party) are the only party leaders who have held that position continuously since Aug. 7, 1919, up to the present, in the federal field in the self governing portions of the Empire, and in the provinces of Canada.

This note attached to memorandum "Party Leaders on August 7, 1919 in the Dominion of Canada, Provinces of Canada, United Kingdom, Newfoundland, South Africa, Australia, New Zealand, Irish Free State.
